To the extent that there are no available unappropriated revenues to meet such appropriations, the council may by such emergency ordinance authorize the issuance of emergency notes, which may be renewed from time to time, but the emergency notes and renewals of any fiscal year shall be paid not later than the last day of the fiscal year next succeeding that in which emergency appropriation was made.

c. Reduction of appropriations. If at any time during the fiscal year it appears probable to the manager that the revenues available will be insufficient to meet the amounts appropriated, he shall report to the council without delay, indicating the estimated amount of the deficit, any remedial action taken by him and his recommendations as to any other steps to be taken. The council shall then take such further action as it deems necessary to prevent or minimize any deficit and for that purpose it may by ordinance reduce one or more appropriations.

d. Transfer of appropriations. At any time during the fiscal year, upon written request by the manager, the council may transfer part or all of any

unencumbered appropriation balance within a department, office or agency or from one department, office or agency to another.

e. Limitations; effective date. No appropriation for debt service may be reduced or transferred, and no appropriation may be reduced below any amount required by law to be appropriated or by more than the amount of the unencumbered balance thereof. The supplemental and emergency appropriations and reduction or transfer of appropriations authorized by this section may be made effective immediately upon adoption.

Section 6.10. Lapse of appropriations.

Every appropriation, except an appropriation for capital expenditures, shall lapse at the close of the fiscal year to the extent that it has not been expended or encumbered. An appropriation for a capital expenditure shall continue in force until the purpose for which it was made has been accomplished or abandoned; the purpose of any such appropriation shall be deemed abandoned if 3 years pass without any disbursement from or encumbrance of the appropriation.

Section 6.11. Administration of budget.

a. At such time as the manager shall specify each department, office or agency shall submit work programs for the ensuing fiscal year showing the requested allotments of its appropriation by periods within the year. The manager shall review and authorize such allotments with or without revision as early as possible in the fiscal year. He may revise such allotments during the year if he deems it desirable and shall revise them to accord with any supplemental, emergency, reduced or transferred appropriations made pursuant to section 6.09.

b. Payments and obligations prohibited. No payment shall be made or obligation incurred against any allotment or appropriation except in accordance with appropriations duly made and unless the manager or his designee first certifies that there is a sufficient unencumbered balance in such allotment or appropriation and that sufficient funds therefrom are or will be available to cover the claim or meet the obligation when it becomes due and payable. Any authorization of payment or incurring of obligation in violation of the provisions of this charter shall be void and any payment so made illegal. Such action shall be cause for removal of any officer who knowingly authorized or made such payment or incurred such obligation, and he shall also be liable to the city for any amount so paid. However, except where prohibited by law, nothing in this charter shall be construed to prevent the making or authorizing of payments or making of contracts for capital improvements to be financed wholly or partly by the issuance of bonds or to prevent the making of any contract or lease providing for payments beyond the end of the fiscal year, provided that such action is made or approved by ordinance.

Section 6.12. Purchasing.

Purchasing procedure shall be established by ordinance by the council. The manager shall make necessary administrative purchasing rules in accordance with the ordinance as he deems necessary. The purchasing agent, pursuant to rules and regulations, shall contract for and purchase all supplies, materials and equipment required by any office, department or agency of the city. The board of education shall be solely responsible for the designation of types of educational aids and books.

Section 6.13. Accounting procedure.

The manager shall establish such rules and procedures as he deems necessary for accounting by the offices, departments, agencies, board and commission of the city, except as otherwise provided by this charter or law.

Section 6.14. Borrowing in anticipation of taxes and temporary borrowings.

Money may be borrowed pursuant to order or resolve of the council in any fiscal year in anticipation of receipts from taxes for such fiscal year, but the aggregate amount of such loans outstanding at any one time shall not exceed the total tax levy of the preceding fiscal year. All such loans shall be paid within the fiscal year out of receipts from taxes for the fiscal year in which loans were made.

Money may also be borrowed pursuant to order or resolve of the council in anticipation of money to be received from the issue of bonds or notes to be issued but only if the issue of such bonds or notes has been duly authorized, and all such borrowings shall be paid within one year and shall be subject to the provisions of the laws of the State in relation thereto.

Section 6.15. Borrowing for permanent improvements.

The council by ordinance as heretofore provided may authorize the borrowing of money, within the limits fixed by the Constitution and the laws of the State, by the issue of bonds and notes, the proceeds of the issue to be used for the acquisition of land, the construction or reconstruction of buildings and other permanent public improvements, major improvements, alterations or extraordinary repairs to buildings and other permanent public improvements, the equipment of buildings and other permanent public improvements, the purchase of departmental equipment, and the payment or refunding of bonds or notes previously issued. Each issue of bonds or notes shall be payable within a fixed term of years which shall in no case exceed 30 years. Bonds and notes issued pursuant to this section, after the adoption of this Charter, shall be made payable in annual, serial and approximately equal installments as pertains to principal, and interest shall be payable semiannually.

ARTICLE VIII

INITIATIVE AND REFERENDUM

Section 8.01. General authority.

a. **Initiative.** The qualified voters of the city shall have the power to propose ordinances to the council and, if the council fails to adopt an ordinance so proposed without any change in substance, to adopt or reject it at a city election, provided that such power shall not extend to the budget or capital program or any ordinance relating to appropriation of money, levy of taxes or salaries of city officers or employees.

b. **Referendum.** The qualified voters of the city shall have power to require reconsideration by the council of any adopted ordinance and, if the council fails to repeal an ordinance so reconsidered, to approve or reject it at a city election, provided that such power shall not extend to the budget or capital program or any emergency ordinance or ordinance relating to appropriation of money or levy of taxes.

Section 8.02. Commencement of proceedings; petitioners' committee; affidavit.

Any 5 qualified voters may commence initiative or referendum proceedings by filing with the city clerk an affidavit stating they will constitute the petitioners' committee and be responsible for circulating the petition and filing it in proper form, stating their names and addresses and specifying the address to which all notices to the committee are to be sent, and setting out in full the proposed initiative ordinance or citing the ordinance sought to be reconsidered.

Promptly after the affidavit of the petitioners' committee is filed, the clerk shall issue the appropriate petition blanks to the petitioners' committee.

a. **Number of signatures.** Initiative and referendum petitions must be signed by qualified voters of the city equal in number to at least 10% of the total number of qualified voters registered to vote at the last regular city election.

b. **Form and content.** All papers of a petition shall be uniform in size and style and shall be assembled as one instrument for filing. Each signature shall be executed in ink or indelible pencil and shall be followed by the address of the person signing. Petitions shall contain or have attached thereto throughout their circulation the full text of the ordinance proposed or sought to be considered.

c. **Affidavit of circulator.** Each paper of a petition shall have attached to it when filed an affidavit executed by the circulator thereof stating that he personally circulated the paper, the number of signatures thereon, that all the signatures were affixed in his presence, that he believes them to be the genuine signatures of the persons whose names they purport to be and that each signer had an opportunity before signing to read the full text of the ordinance proposed or sought to be reconsidered.

d. **Time for filing referendum petitions.** Referendum petitions must be filed within 30 days after adoption by the council of the ordinance sought to be reconsidered.

Section 8.04. Procedure after filing.

a. Certificate of clerk; amendment. Within 20 days after the petition is filed, the city clerk shall complete a certificate as to its sufficiency, specifying, if it is insufficient, the particulars wherein it is defective and shall promptly send a copy of the certificate to the petitioners' committee by registered mail. A petition certified insufficient for lack of the required number of valid signatures may be amended once if the petitioners' committee files a notice of intention to amend it with the clerk within 2 days after receiving the copy of his certificate and files a supplementary petition upon additional papers within 10 days after receiving the copy of such certificate. Such supplementary petition shall comply with the requirements of subsections (b) and (c) of section 8.03, and within 5 days after it is filed, the clerk shall complete a certificate as to the sufficiency of the petition as amended and promptly send a copy of such certificate to the petitioners' committee by registered mail as in the case of an original petition. If a petition or amended petition is certified sufficient, or if a petition or amended petition is certified insufficient and the petitioners' committee does not elect to amend or request council review under subsection (b) of this section within the time required, the clerk shall promptly present his certificate to the council and the certificate shall then be a final determination as to the sufficiency of the petition.

b. Council review. If a petition has been certified insufficient and the petitioners' committee does not file notice of intention to amend it or if an amended petition has been certified insufficient, the committee may, within 2 days after receiving the copy of such certificate, file a request that it be reviewed by the council. The council shall review the certificate at its next meeting following the filing of such request and approve or disapprove it, and the council's determination shall then be a final determination as to the sufficiency of the petition.

c. Court review; new petition. A final determination as to the sufficiency of a petition shall be subject to court review. A final determination of insufficiency even if sustained upon court review, shall not prejudice the filing of a new petition for the same purpose.

Section 8.05. Referendum petitions; suspension of effect of ordinance.

When a referendum petition is filed with the city clerk, the ordinance sought to be reconsidered shall be suspended from taking effect. Such suspension shall terminate when:

- c. The council repeals the ordinance;
- d. Thirty days have elapsed after a vote of the city on the ordinance.

Section 8.06. Action on petitions.

a. Action by council. When an initiative or referendum petition has been finally determined sufficient, the council shall promptly consider the proposed initiative ordinance in the manner provided in Article II or reconsider the

referred ordinance by voting its repeal. b. **Submission to voters.** The vote of the city on a proposed or referred ordinance shall be held not less than 30 days and not later than one year from the date of the final council vote thereon. If no regular city election is to be held within the period prescribed in this subsection, the council shall provide for a special election; otherwise, the vote shall be held at the same time as such regular election, except that the council may in its discretion provide for a special election at an earlier date within the prescribed period. Copies of the proposed or referred ordinance shall be made available at the polls.

If conflicting ordinances are approved at the same election, the one receiving the greatest number of affirmative votes shall prevail to the extent of such conflict.

b. **Referendum.** If a majority of the qualified electors voting on a referred ordinance vote against it, it shall be considered repealed upon certification of the election results.
