Sec. 1. Incorporation. The inhabitants of the City of Waterville in the County of Kennebec, within the corporate limits as now established in the

manner provided by law, shall continue to be a municipal body politic and corporate in perpetuity, under the name of the City of Waterville.

Sec. 2. Form of government. The municipal government provided by this charter shall be known as the Mayor-Council Form of Government. All powers of the city, subject only to the limitations imposed by the Constitution and statutes of the State of Maine and by this charter, shall be vested in the mayor, who shall execute the laws and administer the government of the city, and an elective council, which shall enact local legislation and determine policies. The mayor shall be aided by an administrator who, in the performance of his duties, shall be responsible to the mayor.

Sec. 3. Powers of city. The city shall have and exercise all powers, functions, rights and privileges possessed by the City of Waterville prior to the adoption of this charter; also all powers, functions, rights and privileges granted to municipal corporations by the Constitution and statutes of the State of Maine together with all the implied powers necessary to carry into execution all the powers granted; also, except as prohibited by the Constitution or statutes of this State or restricted by this charter, all municipal power, functions, rights, privileges and immunities of every name and nature whatsoever. The city may acquire property, real or personal, for any city purpose, in fee simple, or any lesser interest or estate, by purchase, gifts, devise, lease or condemnation, and may sell, lease, hold, manage and control such property as its interests may require.

ARTICLE II

The Mayor and the Administrator

Sec. 1. Qualifications. The mayor shall be an inhabitant of the city and a registered voter therein.

Sec. 2. Election and term. The mayor shall be elected by the inhabitants of the city, voting in their respective wards, as provided in Article IX of this charter. His term of office shall be 2 years commencing with his induction into office on the first Tuesday of January next following his election and until his successor is elected and inducted.

Sec. 3. Salary. The salary of the mayor shall be \$2,500 per year unless and until changed by ordinance. The council shall not change the salary of any mayor, except prior to the general municipal election to take effect at the beginning of the next term of office for mayor.

Sec. 4. Vacancy in office of mayor. The office of mayor shall be deemed vacant in case of failure to qualify within 14 days after notification of election or by reason of death, resignation, removal from office, removal from the city, continuous absence from the city for more than 3 months, conviction of a felony or violation of any of the duties of office which, by the provisions of this charter, render the office vacant.

If any such vacancy occurs, the chairman of the council shall exercise all the powers and perform all the duties of the office until a special municipal election shall be called for the purpose of electing a mayor. Such election shall be called within 30 days of such vacancy, unless the vacancy occurs within

the 6 months prior to the next regular municipal election. The chairman of the council shall continue to have a vote in the council, but he shall not have the veto power.

Sec. 5. Powers. The mayor shall be the chief executive officer and head of the administrative branch of the city government. The mayor shall:

The administrator shall be the mayor's principal assistant. Should the mayor fail to appoint an administrator within 90 days of the effective date of this charter, or within 90 days of the occurrence of any vacancy in the position, the council shall make the appointment of an individual meeting the qualifications set forth in this charter. The mayor may assign any other officer or employee of the city to perform the duties of the administrator during the vacancy of that office or absences or disability of that officer. The administrator shall, during his tenure of office, reside within the city.

Sec. 7. Salary of administrator. The appointed administrator shall be paid a salary of an amount to be fixed by the mayor with the approval of the council. The council shall not decrease the salary of any incumbent administrator.

IX. Perform all other duties required of him by this charter, or by ordinance, or assigned to him in writing by the mayor. The mayor, by prior written notice directed to the administrator, may relieve the administrator of any duties, powers or responsibilities granted him by the terms of this charter. Such written notice, signed by the mayor, shall be filed with the city clerk as a document of public record.

Sec. 9. Limitation of political activity of administrator. The administrator is forbidden to use his official authority or influence for the purpose of interfering with an election or a nomination for municipal office or affecting the result thereof, or directly or indirectly to coerce, attempt to coerce, command or advise any other appointed municipal officer or servant or employee, to pay, lend or contribute any part of his salary or compensation or anything else of value to any party, committee, organization, agency or person for political purposes. The administrator is forbidden to make any such contributions for political purposes. The administrator is forbidden to take any active part in political management or in political campaigns.

The sole grounds for removal of the administrator and his discharge from office by the council shall be the finding by the council, based on due proof submitted to the council upon a public hearing held upon notice for the purpose, that the administrator has violated these terms of the charter restricting his political activity, or for other cause.

Sec. 4. Vacancies. The office of councilmen shall be deemed vacant in case of failure to qualify within 14 days after notification of election, or by reason of death, resignation, removal from the city, continuous absence from the city for more than 3 months, conviction of a felony or violation of any

of the duties of office which, by the provisions of this charter, render the office vacant. If, during his term of office, a councilman should move his residence outside the ward from which he was elected, his office shall not be declared vacant on that account, provided he continues to reside within the city. Vacancies in the council shall be filled by special election in the ward as provided in Article IX of this charter, unless such vacancy occurs during the 3 months prior to a regular municipal election.

Sec. 5. Meetings of council. The manner in which each member of the council votes upon all propositions shall be entered upon the journal of the proceedings.

The city clerk shall be secretary of the council unless the council by a vote of not less than 5 shall determine to elect and employ another as secretary of the council, who shall not be selected from its own membership. The clerk shall give notice of council meetings, shall keep the journal of its proceedings, shall authenticate by his signature and record in full in a book kept for the purpose all ordinances, orders and resolutions and shall perform such other duties as shall be required by this charter or by ordinance.

Sec. 7. Powers. All legislative powers of the city shall be vested in the city council and shall be exercised by it in the manner and subject to the limitations set forth in this charter. Without limitation to the foregoing, the council shall have power to:

All disbursements, except principal and interest on bonds and certificates of indebtedness, shall be made only upon the order of the director of finance, countersigned by the mayor, duly authorized by a resolution of the council and approved by the auditor. Every such order shall specify the purpose for which the disbursement is made and the fund out of which it is to be paid. No such order shall be issued unless the director of finance shall certify that there is an unencumbered balance of money sufficient to pay the same in the fund out of which it is to be paid. The director of finance shall examine all payrolls, bills and other claims against the city and shall issue no order for payment until he finds that the claim is in proper form, correctly computed and legally due and payable. Any order or resolution for the payment of money violating any provision of this section shall be void, and any officer of the city violating any provision of this section shall be personally responsible for the amount of such payment if any is made contrary to the provisions hereof. Nothing in this section, however, shall prohibit the council from authorizing interdepartmental transfers of funds previously appropriated.

Sec. 5. Making of bids and letting of contracts. The council shall regulate the making of bids and the letting of contracts by ordinance subject to the following conditions:

I. In all cases of work to be done by contract or the purchase of property of any kind amounting to more than \$500, or the rendering of any service to the city other than professional services amounting to more than \$500, competitive bids shall be secured before any purchase is made or any contract awarded.

II. When the amount involved is \$500 or less, bids may be solicited by notice posted on a public bulletin board for at least 3 days and by mail to known prospective bidders.

III. When the amount is more than \$500 bids shall be advertised by a notice to be published in at least 2 issues of a newspaper printed within the city.

IV. All bids shall be sealed when received and shall be opened in public at the hour stated in the notice; and all original bids, together with all documents pertaining to the award of the contract, shall be retained and made a part of the permanent file or record and shall be open to public inspection.

V. Contracts shall be awarded only after authorization by the council.

VI. The council may reject, or by ordinance authorize administrative officers to reject, any and all bids.

VII. Contracts shall be let to the lowest responsible bidder and purchases shall be made from the responsible bidder who offers to furnish the article desired for the lowest sum.

VIII. In determining the lowest responsible bidder, in addition to price, the following may be considered:

A. The ability, capacity and skill of the bidder to perform the contract or provide the service required.

B. Whether the bidder can perform the contract or provide the service promptly, or within the time specified, without delay or interference.

C. The character, integrity, reputation, judgment, experience and efficiency of the bidder.

D. The quality of performance of previous contracts or services.

E. The previous and existing compliance by the bidder with laws and ordinances relating to the contract or service.

F. The sufficiency of the financial resources and ability of the bidder to perform the contract or provide the service.

G. The quality, availability and adaptability of the supplies or contractual services to the particular use required.

H. The ability of the bidder to provide future maintenance and service for the use of the subject of the contract.

I. The number and scope of conditions attached to the bid.

IX. Specifications shall not be so prepared as to exclude all but one type or kind but shall include competitive supplies and equipment, and competitive bids shall be secured before purchase by contract or otherwise is made, provided, however, that unique or non-competitive articles which are determined by the director of finance, subject to the approval of the council, to be sufficiently superior for the service intended by the city, may be purchased without regard to other bids.

Sec. 6. Borrowing in anticipation of taxes, and bond issues. During any fiscal year the council may by resolution authorize the borrowing of money in anticipation of receipts from taxes, but the aggregate amount of such borrowing at any one time shall not exceed 80% of the revenue received from taxes during the preceding fiscal year. All such money borrowed shall be repaid out of receipts from taxes for the fiscal year in which the money is borrowed. Money may be borrowed in anticipation of money to be received from the sale of bonds to be issued, in case such bond issue has been authorized. All such money borrowed shall be repaid within one year and shall be subject to the provisions of the laws of the State of Maine in relation thereto.

Sec. 7. Bond issues. Money may be borrowed, within the limits fixed by the Constitution and statutes of the State of Maine now or hereafter applying to the City of Waterville, by the issue and sale of bonds or notes pledged on the credit of the city, the proceeds to be used for the payment of indebtedness of the city contracted for the acquisition of land, the construction and equipment of buildings, and other permanent public improvements, including schools, and the payment or refunding of bonds, notes and certificates of indebtedness previously issued. No order providing for the issue of bonds shall be passed without public notice given by publishing said notice in a newspaper having general circulation in the city at least 2 weeks before final action by the council.

Sec. 8. Public Debt Amortization Fund. A Public Debt Amortization Fund as provided in chapter 67 of the private and special laws of Maine of 1927 and amended in chapter 137 of the private and special laws of Maine of 1961 shall continue under the terms of this charter.

ARTICLE VII

Eminent Domain, Discontinuance of Streets, Public Improvements

Sec. 1. Powers granted. The council shall have power:

I. To acquire in fee, or any lesser estate, property by right of eminent domain, for the purpose of laying out, widening or altering any street, public way, parking lot, schoolhouse lot, airport or flight paths adjacent thereto without petition therefor;

II. To discontinue streets, sidewalks and public ways;

III. To levy an assessment upon real estate abutting premises taken by eminent domain for the construction or widening of any street, sidewalk or public way.

Sec. 2. Notice to be given. The council shall give notice of its intention to exercise its power of eminent domain, discontinuance or assessment by giving notice to all parties whose title or interest in and to the affected premises is recorded in the Kennebec County Registry of Deeds, by registered mail, return receipt requested, and by publishing a copy of the notice in a newspaper having a local circulation at least 7 days before the city council makes a determination of public convenience and necessity. The notice shall contain a description of the premises which the city council intends to take by eminent domain, discontinue or improve; the time and place of the meeting at which the city council shall determine public convenience and necessity; the purpose of the taking by eminent domain, discontinuance or improvement.

Sec. 3. Determination of damages and assessments. The council shall determine and adjudge whether the public convenience requires the taking by eminent domain, the discontinuance or the assessment for public improvements; it shall determine the amount of damages allowed or assessment levied in each instance and it shall make a written return of its proceedings containing the vote of the council, the description of the premises taken, discontinued or improved, a listing of all persons affected and entitled to damages and the awards allowed or assessment levied to each, which shall be filed with the city clerk. A copy of the council's report insofar as it affects each individual having an interest in the premises affected shall be forwarded to such individuals by registered mail, return receipt requested. The assessment levied shall, within 3 months after its imposition, be committed to the director of finance and he shall proceed to collect the same in the same manner and by the same means as provided for the collection of taxes on real estate.

Any person aggrieved by the award of damages for taking by eminent domain, discontinuance or assessment for improvements may appeal in accordance with the Revised Statutes of 1964, Title 23, section 3005, and amendments thereto.

ARTICLE VIII

Administration of Schools

Sec. 1. Board of education. A board of education, composed of 7 members elected from the wards as provided in Article IX of this charter and serving

for a term of 4 years, shall have all the duties, rights and powers granted to such boards by the Constitution and statutes of the State of Maine, and all the duties, rights and powers invested in the board of education of the City of Waterville before the adoption of this charter. The board shall elect a chairman annually, and appoint some suitable person, not a member of the board, superintendent of schools, and may adopt such rules and regulations for the management of the schools as are not inconsistent with the laws of the State. The superintendent shall be the secretary and executive agent of the board, which shall fix his salary, to be paid from the city treasury, and may remove him for good cause and appoint a successor. The members of the board shall receive no compensation for their services. They shall be registered voters and at the time of election each shall be a resident of the ward from which he is elected. Members of the board of education shall not hold any other public office or receive any pay, commission, money or thing of value directly or indirectly from or by reason of their office, except that the preceding prohibition shall not apply to contracts made by bid pursuant to the provisions of Article VI, section 5 of this charter or to purchases amounting to less than \$500.

Sec. 2. School budget, hearings, appropriations, audit of accounts. The board of education shall have the right to direct the expenditure of all school moneys and shall annually prepare a report of the affairs and condition of the city schools as at the end of the fiscal year preceding and a detailed estimate in the form of a budget of the amount needed for school purposes for the current year and shall submit a copy of said report and estimate to the mayor and to each member of the council 2 weeks before the date set for the budget hearing. There shall be held at such time as shall be fixed by the mayor, a joint meeting of the board of education and the council, due notice of which shall be given by the clerk, to consider such estimate, and said board of education shall give full information with reference to said estimate and their reasons for fixing the items thereof at the amounts therein stated. The council shall have the power to raise moneys for the support of public schools in the city and shall appropriate for the current fiscal year such sum, not less than the amount required by State statute, as they may deem necessary for that purpose. Such sum shall be included with and assessed like other city taxes. It shall be the duty of the auditor, under the direction of the mayor and council, to audit the books of the board of education from time to time and as directed by the council. The city council may elect, by ordinance, to assess and bill for school needs separately.

ARTICLE IX

Elections

Sec. 1. Wards. For the purpose of holding elections, the city shall continue to be divided into 7 wards, and until revised by ordinance of the council shall continue to be divided along the boundary lines adopted by ordinance and public referendum in 1959.

Sec. 2. Revision of ward boundary lines. On the first Monday of December in 1968 and on the same date at 4-year intervals afterward, the city clerk shall make an examination of the voters register of the city and if the number of registered voters in any one ward exceeds the number of registered voters in any other ward by 30%, it shall be the duty of the city clerk to notify the council thereof. Within 6 months after receiving such notification from the clerk, it shall be the mandatory duty of the council to redistrict the city by

ordinance. Each ward shall consist of contiguous territory and contain as nearly as possible a number of registered voters equal to the factor obtained by dividing by 7 the total number of registered voters of the city, and within each ward a convenient voting place shall be designated. If at the expiration of the 6-month period the council has failed to redistrict the city as herein required, the members of the council shall not receive any salary until the council shall have adopted such ordinance, which may not be vetoed by the mayor. If, in any such redistricting, the residence of any councilman is placed outside of the ward from which he was elected, the office shall not be deemed vacant on that account and he shall continue to serve out the term for which he was elected.

Sec. 3. Time and place of elections. On the first Monday in December in odd-numbered years, the qualified electors of each ward, in the voting places appointed for that ward, shall ballot for mayor, one councilman from the ward in which they are voting, a warden, ward clerk and ward constable likewise from the same ward, and in those wards in which the term of the member of the board of education is about to expire, one member of the board of education. Each officer elected under this charter shall assume the duties of the office to which he is elected on the first Tuesday in January succeeding his election.

Sec. 4. Registration of voters. No person shall be allowed to vote at any municipal election unless his name is registered on the voting list of his ward. A person may register as a voter by appearing before the board of registration when it is in session and by proving himself qualified to vote as required by the laws of Maine. The board of registration shall publish in a newspaper having general circulation in the city notice of the time schedule for registration before each regular or special municipal election. When the board of registration is not in session, the clerk shall accept applications for registration, except during the week immediately preceding any election. The board of registration shall prepare a printed list of voters for each ward and shall keep the list current at all times. Registration proceedings shall be conducted in the same manner as provided by the election laws of Maine, the Revised Statutes of 1964, Title 21, and amendments thereto.

Sec. 5. Notice of elections; preparation of ballots. The council shall notify a regular or special municipal election by issuing a warrant signed by a majority of councilmen, containing a statement of the purpose of the election, the date, and the time of opening and closing the polls. Such warrant shall be served by any constable of the city by posting attested copies of said warrant at all appointed voting places at least 7 days before the date of the election. Such warrant, with the officer's return of service thereon, shall be returned to the clerk at least 4 days before the date of the election. The clerk shall also cause notice of the election to be published in a newspaper having general circulation in the city at least 7 days before the date of the election. Special ward elections shall be notified in a similar manner within each ward where an election is to be held. Ballots for all regular or special municipal or ward elections shall be prepared by the clerk and shall be in substantially the same form as required by the election laws of Maine. At least 7 days before any municipal election the clerk shall post a specimen ballot, prepared according to the regulations for state elections, at the voting place in each ward.

Sec. 6. Election officials, counting of ballots, notification of elected officers. The warden of each ward elected at the last previous municipal election shall supervise the voting place in his ward on election day. The ward constable shall, on request of the warden, remove, confine or arrest a person who creates a disturbance or otherwise violates the law at a voting place. Four election

clerks, and additional clerks, if necessary, nominated by the city committee of each major political party and appointed by the council as required by the election laws of Maine, shall assist the warden in distributing, receiving and counting ballots. All regular and special municipal elections shall be conducted in the same manner as provided by the election laws of Maine, the Revised Statutes of 1964, Title 21, and amendments thereto. As soon as the polls are closed, the election officials shall count the ballots publicly under the supervision of the warden. The ward clerk shall record upon a tally sheet, procured therefor from the city clerk, the results of the balloting, certify the votes given, have the tally sheet attested by the warden, and deliver it to the city clerk forthwith. The council of the City of Waterville shall constitute the canvassing board for the canvass of the votes and the determination of the result of every general or special municipal election held under the provisions of this charter. The council shall meet as such canvassing board as soon as convenient after each election, at which time they shall receive the returns from the wards and shall by resolution certify and determine the result of such election as to each officer and matter voted upon at the election. The candidate for mayor having a plurality of the votes cast in all the wards shall be elected. The clerk shall deliver certificates of election to all municipal and ward officers elected, within 3 days of their election. If it shall appear that one or more of the offices to be filled by an election has not been so filled, or if any person elected shall fail to qualify within 14 days of notification of his election, warrants for another and special election to fill such vacancy shall be issued forthwith, in substantially the same manner as provided in section 5 of this Article.

Sec. 7. Recount and title to office. On the written application of a candidate in any municipal election, within 10 days after the election, the clerk shall permit the candidate or his counsel to recount the ballots under protective regulations substantially the same as provided in the election laws of Maine, the Revised Statutes of 1964, Title 21, section 1152, and amendments thereto. A person who claims title to any municipal or ward office may proceed against another who claims title to the office by proceeding in the manner provided in said Title 21, section 1212, and amendments thereto.

Sec. 8. Absentee voting. Absentee voting shall be permitted in all regular or special municipal elections, provided that such voting conforms to the regulations governing absentee voting provided in the Revised Statutes of 1964, Title 21, and amendments thereto. All absentee ballots, in order to be valid, must be delivered to the city clerk before 1 p.m. on election day.

Sec. 9. Nomination of candidates. Nomination of candidates for ward officers shall be made in the ward caucus of each political party in each ward, and nomination of candidates for mayor shall be made in the city caucus of each political party. Ward caucuses and city caucuses shall be held not less than 16 days prior to the day on which a municipal election is to be held. Notice of a caucus shall be published in a newspaper having general circulation in the city at least 3 and not more than 7 days before it is to be held. The procedure for calling, giving notice, holding and voting at caucuses shall follow the provisions for municipal caucuses in the Revised Statutes of 1964, Title 21, and amendments thereto. Each ward caucus shall nominate candidates for warden, ward clerk, constable, councilman and, in those wards in which the term of the member of the board of education is about to expire, one member of the board of education, who must be residents of the ward which they shall serve. Each city caucus shall nominate one candidate for mayor.

Sec. 10. Enrollment. No person shall vote at a ward or city caucus unless he is an enrolled member of the political party holding the caucus. A person

may enroll in a political party by filing an application with the board of registration or with the city clerk when he applies for registration as a voter, or he may enroll at any caucus, provided that he applies in person to the caucus chairman and swears before him that he is a qualified voter and has not been enrolled in any other political party for 6 months prior to the date of said caucus. The caucus secretary shall record all enrollments and deliver such records to the city clerk within one week of the date of said caucus. The enrollment of voters shall follow the provisions of the election laws of Maine, the Revised Statutes of 1964, Title 21, and amendments thereto.

Sec. 11. City committee. Each political party shall hold a ward caucus in each ward during the January immediately following a municipal election to elect the ward committee, and the ward committees so elected shall elect a city committee for each party. Each city committee shall meet within 2 weeks of its election to elect a chairman and other officers and shall adopt rules and regulations for the conduct of its business.

Sec. 12. Special elections. Special elections may be called by the council for any purpose permitted by this charter or by statutes. All special elections shall be called by order of the council, authorizing the issuance of a warrant which shall fix the time therefor and shall state the offices to be filled or the questions to be decided thereat, and shall direct the clerk to give the necessary notice and make the necessary preparation for the holding of such election.

ARTICLE X

Referendum

Sec. 1. Provision for referendum. The electors shall have power to approve or reject at the polls any ordinance or order passed by the council, except an ordinance appropriating money or authorizing the levy of taxes or issuing bonds to finance the improvement or extension of a municipally owned or operated utility or other public service enterprise.

Sec. 2. Regulations. Within 20 days after the enactment by the council of any ordinance or order which is subject to a referendum, a petition signed by qualified electors of the city equal in number to at least 15% of the registered voters at the last regular municipal election may be filed with the clerk protesting against the passage of such ordinance or order. The signatures to the petition need not all be appended to one paper, but each signer shall state his place of residence and street number. One of the signers of each such paper shall make oath that each signature to said paper is the genuine signature of the person whose signature it purports to be. Such petition shall be filed with the clerk, who within 10 days from the date of filing shall ascertain from the voters register whether or not said petition is signed by the requisite number of qualified electors. The clerk shall attach to said petition his certificate, showing the result of said examination, and if the petition is deemed sufficient shall submit the same to the council. If by the clerk's certificate the petition is shown to be insufficient, it may be amended within 10 days from the date of the clerk's certificate and again submitted to the clerk.

Sec. 3. Submission to voters. After the clerk has attached his certificate of sufficiency to the petition, said ordinance or order shall be suspended from operation; and it shall be the duty of the council to reconsider such ordinance or order, and if the same be not entirely repealed, the council shall submit the

ordinance or order to a vote of the electors of the city either at the next general municipal election or at a special election called for that purpose, and such ordinance or order shall not become operative unless a majority of the qualified electors voting on the same shall vote in favor thereof.

There shall not be held under this section of the charter more than one special election in any period of 6 months; nor shall any such special election be called to be held within 60 days prior to any general municipal election.

ARTICLE XI

General Provisions

Sec. 1. Rules for taking action or filing claims against the city. No action shall be maintained against the city on account of any injuries or damages to persons or property except under the conditions set forth in the Revised Statutes of 1964, Title 23, sections 3655 to 3658.

Sec. 2. Submission of Act to referendum. This Act shall be submitted for approval or rejection to the qualified voters of the City of Waterville at an election to be held on October 9, 1967, and warrants shall be issued for such election in the manner now provided by law for the holding of municipal elections, notifying the qualified voters of said city of the date and purpose of the referendum. The provisions of law relating to the preparation of voting lists for municipal elections shall apply to such election, and said election shall in all other respects be conducted as municipal elections in said city are now conducted by law, and the results thereof shall be determined in the manner now provided for the determination of the election of a mayor. If a majority of the ballots shall reject, this Act shall not go into effect, but if a majority of the ballots shall approve, then this Act shall take effect as herein provided. The result of said vote shall be determined as provided by law and due certificate thereof filed by the clerk with the Secretary of State.

Sec. 3. Effective date of this Act. The provisions of this charter which are essential to the election of the mayor and council provided for herein shall go into effect immediately upon the approval of this charter by a majority of qualified voters, as provided in section 2 of this Article. The remaining provisions of this charter shall go into effect and be in force from and after 7 p.m. on the first Tuesday of January next following the general municipal election at which the mayor and the council are elected.

Sec. 4. Effect of this charter on existing law. In the event that this Act is approved in the manner herein provided, all acts and parts of acts inconsistent with the provisions of this charter are hereby repealed and superseded. Insofar as the provisions of this charter are the same in terms or in substance and effect as provisions of law in force when this charter shall take effect, the provisions of this charter are intended to be not a new enactment but a continuation of such provisions of law, and this charter shall be so construed and applied.

Sec. 5. Effect of this charter on existing ordinances and contracts. All ordinances in force at the time when this charter takes effect not inconsistent with the provisions of this charter shall continue in force until amended or repealed. All rights, actions, proceedings, prosecutions and contracts of the city pending or executed when this charter goes into effect and not inconsistent

therewith shall be enforced, continued or completed in all respects as though begun or executed hereunder.

Sec. 6. Separability clause. If any section or part of section of this charter shall be held invalid by a court of competent jurisdiction, such holding shall not affect the remainder of this charter, it being the intention that the remaining portions of this charter shall stand, notwithstanding the unconstitutionality and invalidity of any section, sentence, clause or phrase.

Sec. 2. P. & S. L., 1887, c. 195, § 8-A, amended. The last 3 sentences of section 8-A of chapter 195 of the private and special laws of 1887, as enacted by section 2 of chapter 146 of the private and special laws of 1957, are repealed and the following enacted in place thereof :

The mayor, with the advice of the assessor, shall appoint, subject to confirmation by the city council, an assistant assessor in each ward. An assistant assessor shall serve until resignation or removal for cause, by the city council. The salaries of the assessor and assistant assessors shall be fixed by the city council but, in the case of the tax assessor, shall not be reduced during his tenure in office.
