Whereas, there is a critical need for new school construction to consolidate these schools; and

Whereas, the borrowing capacity of the district is insufficient to meet the needs of such construction; and

Whereas, in the judgment of the Legislature these facts create an emergency within the meaning of the Constitution of Maine, and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine, as follows:

School Administrative District No. 58 authorized to borrow money. The school directors of School Administrative District No. 58 are authorized to borrow a sum of money not in excess of \$1,300,000 upon approval of the voters of the district voting on an appropriate article as set out in the Revised Statutes, Title 20, section 225. This authority is granted notwithstanding any other provision of Title 20 to the contrary.

AN ACT to Validate Proceedings Authorizing the Issuance of Bonds and Notes by School Administrative District No. 9.

Emergency preamble. Whereas, Acts of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, the management and control of the public schools located in the Towns of Chesterville, Farmington, Industry, New Sharon, New Vineyard, Temple, Vienna, Weld and Wilton have been assumed by School Administrative District No. 9 which embraces the territory in said municipalities; and

Whereas, the secondary school facilities of the district are inadequate and overcrowded and it is imperative that construction of a new high school, with facilities for a regional technical and vocational center, in the Town of Farmington proceed without further delay; and

Whereas, funds for capital outlay purposes are required by said School Administrative District in order to construct such additional school facilities; and

Whereas, at a district meeting held on June 14, 1967, the voters of School Administrative District No. 9 voted to authorize the school directors of said district to issue bonds or notes for capital outlay purposes for the construction of such additional school facilities; and

Whereas, doubt exists whether certain of the warrants issued in connection with said district meeting held on June 14, 1967 complied with the applicable requirements of law, particularly in respect of the failure to notify the voters as to the office hours of the registrars of voters as provided in Title 21 of the Revised Statutes, thus raising doubts as to the legality of certain of the proceedings to authorize the issuance of bonds and the signing of contracts and other action taken in connection with said construction; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine, as follows:
