Whereas, the 102nd Legislature in regular session by chapter 422 of the public laws of 1965 established the Veterans Memorial Cemetery and provided for the acquisition of land for the construction thereof; and

Whereas, the Commissioner of Veterans Services proceeded to acquire land by eminent domain for the Veterans Memorial Cemetery; and

Whereas, after the commencement of construction of the Veterans Memorial Cemetery suit was brought questioning the authority of the Commissioner of Veterans Services to acquire the land for the cemetery by eminent domain; and

Whereas, the Superior Court of Kennebec County has determined that the Commissioner of Veterans Services does not have authority to take land for the site of the cemetery by eminent domain; and

Whereas, in order to facilitate the establishment of a Veterans Memorial Cemetery the following legislation is vitally necessary, and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Such real estate ~~shall be not less than 50 acres and~~ shall be near the center of population of the State of Maine.
