For the purposes of this Act, "notarial acts" means acts which the laws and regulations of this State authorize notaries public of this State to perform, including the administering of oaths and affirmations, taking proof of execution and acknowledgments of instruments, and attesting documents. Notarial acts may be performed outside this State for use in this State with the same effect as if performed by a notary public of this State by the following persons authorized pursuant to the laws and regulations of other governments in addition to any other person authorized by the laws and regulations of this State:

1. Notary public. A notary public authorized to perform notarial acts in the place in which the act is performed;

Further proof of his authority is not required.
2. —other. If the notarial act is performed by a person authorized by the laws or regulations of a foreign country to perform the act, there is sufficient proof of the authority of that person to act if:

 - B. The official seal of the person performing the notarial act is affixed to the document; or

C. The title and indication of authority to perform notarial acts of the person appears either in a digest of foreign law or in a list customarily used as a source of such information.

3. —other persons. If the notarial act is performed by a person other than one described in subsections 1 and 2, there is sufficient proof of the authority of that person to act if the clerk of a court of record in the place in which the notarial act is performed certifies to the official character of that person and to his authority to perform the notarial act.

4. Signature and title. The signature and title of the person performing the act are prima facie evidence that he is a person with the designated title and that the signature is genuine.
