Chapter 28

AN ACT Increasing Borrowing Capacity of Mars Hill Utility District.

Emergency preamble. Whereas, Acts of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, the private and special laws of 1957, chapter 143, section 11, provides that the Mars Hill Utility District may purchase or take the property of the Mars Hill & Blaine Water Company; and

Whereas, the borrowing capacity of said district is not presently sufficient to allow the trustees to purchase or to take said company; and

Whereas, the purchase or taking of said company is necessary to insure a continuing supply of pure and wholesome water for the inhabitants of said district and a continuing source of water for fire protection for the safety of the buildings within said district; and

Whereas, the term within which the trustees must act to purchase or take said water company expires on March 24, 1969; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine, as follows:

P. & S. L., 1957, c. 143, § 12, amended. The first sentence of section 12 of chapter 143 of the private and special laws of 1957, as amended by chapter 38 of the private and special laws of 1961, is further amended to read as follows:

For accomplishing the purposes of this Act, said district, through its trustees, is authorized to borrow money temporarily in an amount not to exceed ~~\$500,000~~ \$750,000, and to issue therefor the interest-bearing negotiable notes of the district and for the purpose of refunding the indebtedness so created, of paying any necessary expenses and liabilities incurred under the provisions of this act, including the expenses incurred in the creation of the district, in reimbursing said town, in acquiring the aforesaid properties, privileges and franchises of the Mars Hill and Blaine Water Company, its successors or assigns, by purchase or otherwise, or securing sources of supply, taking water and land, paying damages, laying pipes, constructing and maintaining and operating a water, sewerage and drainage system, sewage treatment and disposal facilities and making extensions, additions and improvements to the same, the said district through its trustees may from time to time issue bonds of the district to an amount necessary in the judgment of the trustees therefor, maturing at one time or in uniform or varying installments with or without call provisions and at or without any premium.

Emergency clause. In view of the emergency cited in the preamble, this Act shall take effect when approved.
