Chapter 106

AN ACT Classifying Mousam River, Main Stem, West Branch.

Be it enacted by the People of the State of Maine, as follows:

Sec. 1. R. S., T. 38, § 368, amended. Subsection 4 of that part of section 368 of Title 38 of the Revised Statutes which relates to waters captioned, Mousam River Basin, is amended to read as follows:

4. Mousam River, main stem, West Branch, from northerly boundary of compact area of Sanford about 0.5 mile above Mill Street in Springvale section to its junction with the East Branch—Class ~~D~~ C.

Sec. 2. R. S., T. 38, § 368, amended. Subsection 4 of that part of section 368 of Title 38 of the Revised Statutes which relates to waters captioned, Mousam River Basin, is amended by adding a new paragraph A to read as follows:

A. A municipality, sewer district, person, firm, corporation or other legal entity shall not be deemed in violation of this subsection at any time or times prior to October 1, 1974 with respect to those classifications if by such time or times he or it with respect to any project necessary to achieve compliance with applicable classification shall have completed all steps required to then be completed by the following schedule.

(1) Preliminary plans and engineers estimates shall be completed and submitted to the Environmental Improvement Commission on or before March 1, 1972.

(2) Arrangements for administration and financing shall be completed on or before March 1, 1972. This period, in the case of municipalities, shall encompass all financing including obtaining of state and federal grants.

(3) Detailed engineering and final plan formulation shall be completed on or before October 1, 1972.

(4) Review of final plans with the Environmental Improvement Commission shall be completed and construction commenced on or before June 1, 1973.

(5) Construction shall be completed and in operation on or before October 1, 1976.

This reclassification shall not be deemed to exempt any municipality, sewer district, person, firm, corporation or other legal entity from complying

with the water quality standards of the last previous classification, as such standards existed on December 31, 1970, and enforcement action may be maintained for noncompliance therewith.

Effective September 23, 1971
