CHAPTER 583

AN ACT Relating to Municipal Finance.

Be it enacted by the People of the State of Maine, as follows:

R. S., T. 30, § 5153, additional. Title 30 of the Revised Statutes is amended by adding a new section 5153, to read as follows:

§ 5153. Borrowing in anticipation of federal or state aid

The municipal officers of any municipality may contract for and accept an offer or a grant of federal or state aid, or both, for any purpose for which a municipality may raise or expend money. Notwithstanding any provisions in a charter or special Act of the Legislature, but subject to the constitutional limit on indebtedness, any municipality which has contracted for and accepted an offer or a grant of federal or state aid or both, for a particular project, may by vote of its municipal officers incur indebtedness in anticipation of the receipt of such aid for the particular project by issuing its general obligation notes payable in not more than one year, which notes may be renewed from time to time by the issue of other notes, provided that no notes shall be issued or renewed in an amount which at the time of such issuance or renewal exceeds the unpaid amount of the federal or state aid in anticipation of which such notes are issued or renewed, as the case may be. To any extent that the federal or state aid in anticipation of which the notes were issued when received exceeds the amount of such aid remaining to be paid under contract or accepted offer, plus the amount of any outstanding notes issued in anticipation thereof, it shall be kept in a separate account and used solely for the payment of such outstanding notes. Any provision of a charter of a city or town requiring the publication of an ordinance, vote, order or resolution of the municipal officers, the holding of a public hearing thereon or subjecting such ordinance, vote, order or resolution to a referendum shall not apply to any borrowing authorized under this section.

Effective June 9, 1972
