CHAPTER 2

DEPARTMENT OF ENVIRONMENTAL PROTECTION

§ 341. Department

There is created and established a Department of Environmental Protection, hereinafter called "the department", to protect and improve the quality of our natural environment and the resources which constitute it, and to enhance the public's opportunity to enjoy the environment by directing growth and development which will preserve for all time an ecologically sound and aesthetically pleasing environment to consist of a Commissioner of Environmental Protection, appointed by the Governor with the advice and consent of the Council to serve a term coterminous with the Governor and until his successor is appointed and qualified, and the Board of Environmental Protection, which is the successor of the Environmental Improvement Commission.

§ 342. Commissioner, duties

The Commissioner of Environmental Protection shall have the following duties:

1. He shall be ex officio a member of the Board of Environmental Protection and its chairman. He shall have the right to vote only in the case of a tie vote.

2. He may employ, subject to the Personnel Law, such personnel and prescribe the duties of such employees, including bureau directors, as he deems necessary, to fulfill the duties of the department and of the Board of Environmental Protection.

3. He may with the prior approval of the Board of Environmental Protection grant licenses, initiate enforcement actions pursuant to law, negotiate and enter into agreements with federal, state and municipal agencies and exercise whatever other duties the Board of Environmental Protection delegates to him.

4. He shall organize the duties of the department and the duties of the Board of Environmental Protection into 3 bureaus, which shall be named the Bureau of Water Quality Control, the Bureau of Air Quality Control and the Bureau of Land Quality Control, and such other administrative units as he deems necessary. With the approval of the Board of Environmental Protection, he shall prescribe the functions of the bureaus and other administrative units to insure that the powers and duties of the board are administered efficiently so that all license applications and other business of the department may be expeditiously completed in the public interest.

5. The commissioner shall designate a bureau director within the department to act as commissioner in case the commissioner is unable to act or a vacancy exists in the office of the commissioner.

Sec. 9. R. S., T. 38, § 361, amended. Section 361 of Title 38 of the Revised Statutes, as amended, is further amended to read as follows:

§ 361. Organization; compensation; meetings; duties

The ~~Board of Environmental Improvement Commission~~ **Board of Environmental Protection**, as heretofore established and hereinafter in this subchapter called the ~~commission~~ **"board,"** shall consist of 10 members appointed by the Governor with the advice and consent of the Council, 2 of whom shall represent manufacturing interests of the State, 2 of whom shall be representatives of municipalities, 2 of whom shall represent the public generally, 2 of whom shall represent the conservation interests in the State and 2 other members knowledgeable in matters relating to air pollution, and the **Commissioner of Environmental Protection ex officio**. The members shall be appointed for a term of 3 years and until their successors are appointed and duly qualified.

The members appointed by the Governor shall receive \$25 per day for their services at meetings or hearings and all members shall receive necessary traveling expenses for attending any meetings of the ~~commission board~~ **board** or for any other travel in connection with the official business of the ~~commission board~~ **board** and under the specific authority of the ~~commission board~~ **board**, which traveling expenses shall be paid out of the General Fund.

Meetings of the ~~commission board~~ **board** shall be held at such time and place as shall be determined by the ~~commission board~~ **board** but not less than 2 meetings per year shall be held. ~~The commission shall organize in October of each~~

year by electing one of its members as chairman but in his absence any other member of the commission shall be elected to act as chairman. The commission board shall at the same time in October of each year elect a secretary who need not be chosen from among the members of the commission board. Six members of the commission board shall constitute a quorum, except for the purpose of conducting any hearing.

The commission may employ, subject to the Personnel Law, and prescribe the powers and duties of such employees and Commissioner of Environmental Protection with the prior approval of the board may obtain the services of consultants on a contractual basis or otherwise as may be necessary to carry out this subchapter.

The commission may employ a director and fix his salary with the approval of the Governor and Council. Such director shall serve at the pleasure of the commission, and shall carry out such administrative duties as the commission may prescribe

It shall be the duty of the commission board, exercising the police power of the State, to control, abate and prevent the pollution of the air, waters, coastal flats and prevent diminution of the highest and best use of the natural environment of the State. The commission board shall make recommendations to each subsequent Legislature with respect to the classification of the waters and coastal flats and sections thereof within the State, based upon reasonable standards of quality and use.

The commission board shall make recommendations to each Legislature with respect to the control, abatement and prevention of pollution of the air, waters, coastal flats and other aspects of the natural environment within the State for the benefit of the citizens of this State.

The commission board shall consult with and advise the authorities of municipalities, persons and businesses having, or about to have, systems of drainage, sewerage or industrial wastes except purely storm water systems located in or on or draining from public ways, as to the best methods of disposing of the drainage, sewage or industrial wastes with reference to the existing and future needs of the municipality, other municipalities, persons or businesses which may be affected thereby. It may consult with and advise with persons or corporations engaged or intending to engage in any manufacturing or other business whose drainage, sewage or industrial wastes may tend to pollute any waters under the jurisdiction of the commission board, as to the best methods of preventing such pollution, and it may conduct experiments to determine the best methods of the purification or disposal of drainage, sewage and industrial wastes. Municipalities, sewer districts, quasi-municipal corporations, firms, persons, state agencies and other legal entities shall submit to said commission board for its advice and approval the plans and specifications for any proposed new system of drainage, sewage disposal, sewage treatment or industrial waste disposal into any waters of the State, except purely storm water systems located in or on or draining from public ways and any alterations in existing facilities. The commission board shall establish and enforce reasonable standards for the operation and maintenance of municipal, industrial, commercial and private waste treatment facilities.

The commission board may, in accordance with the Administrative Code and after a public hearing, adopt, amend and repeal such reasonable regula-

tions as it deems necessary to carry out this Title or any other laws which it is charged with the duty of administering.

Whenever the ~~commissioner board~~ is required or empowered to conduct a hearing pursuant to any provision of law, such hearings may be held and conducted by the ~~commissioner board~~, or by any member of the ~~commissioner board~~ or by any qualified employee or representative of the ~~commissioner board~~, as the ~~commissioner board~~ may determine. If the hearing is conducted by a single ~~commissioner board member~~ or qualified employee or representative, such ~~commissioner board member~~, employee or representative shall report his findings of fact and conclusions to the ~~commissioner board~~ together with a transcript of the hearing and all exhibits. Such findings of fact and conclusions shall become a part of the record. The ~~commissioner board~~ shall not be bound by such findings or conclusions when acting upon such record, but shall take such action, issue such orders and make such decisions as if it had held and conducted the hearing itself.

Sec. 10. R. S., T. 38, § 422, additional. Title 38 of the Revised Statutes is amended by adding a new section 422, to read as follows:

§ 422. Dredging permits

The Board of Environmental Protection may grant permits for construction and maintenance of causeways, bridges, marinas, wharves and permanent structures, or deposit of fill, in, on, over or abutting on great ponds or for dredging in great ponds.

The board shall provide written notice to the Commissioner of Natural Resources prior to the granting of such a permit. The board may, pursuant to the Administrative Code, adopt, amend and repeal such regulations, establish such hearing procedures and charge such fees as it deems necessary to properly administer this section. Fees collected shall accrue to the board and shall be expended by it for expenses incurred in carrying out its duties, prescribed by this section.

If the applicant for the permit demonstrates that the proposed activity will not unreasonably interfere with existing recreational, navigational, scenic and aesthetic uses; nor otherwise unreasonably interfere with or harm the natural environs of the great pond or tributary, river or stream; nor cause unreasonable soil erosion; nor interfere with the natural flow of any waters; nor create or cause to be created unreasonable noise or traffic of any nature; nor harm any fish or wildlife habitat; nor lower the quality of any waters, to the satisfaction of the board, the board shall grant the permit upon such terms as it deems necessary to insure that the proposed activity will comply with the foregoing standards.

Any individual person, firm, corporation, municipality, state agency or other legal entity who dredges or removes or causes to be dredged or removed any materials from, or who erects, maintains or causes to be erected or maintained any causeway, bridge, marina, wharf, dock or permanent structure, or deposits fill in, on, over or abutting on any great pond without a permit from the board as provided in this section shall be punished by a fine of not less than \$100 nor more than \$200 for each day of such violation.

In the event of the violation of this section, the Attorney General may institute proceedings to enjoin further violations and to compel restoration of the affected area to its condition prior to the occurrence of the violation.

For the purposes of this section "great pond" shall include any inland body of water which in its natural state has a surface area in excess of 10 acres, and any body of water artificially formed or increased which has a surface area in excess of 30 acres, the shore of which is owned by 2 or more persons, firms, corporations or other legal entities.

Sec. 11. Amendatory provision. Wherever in the Revised Statutes the words "Wetland Control Board" appear, they shall mean the Board of Environmental Protection.

Sec. 12. Amendatory provision. Wherever in the Revised Statutes the words "Environmental Improvement Commission" appear, they shall mean the Board of Environmental Protection.

Sec. 13. Amendatory provision. Wherever in the Revised Statutes the words "The Maine Mining Commission" appear, they shall mean the Board of Environmental Protection.

Sec. 14. Amendatory provision. Wherever in Chapter 423 of Title 12 of the Revised Statutes, as enacted by section 1 of chapter 365 of the public laws of 1969, the words "Department of Health and Welfare" appear, they shall mean the Board of Environmental Protection.

Sec. 15. Transitional provision.

1. **Legislative intent.** It is the intent of the Legislature that the Environmental Improvement Commission only be re-named the Board of Environmental Protection and that the re-naming of the commission have no effect whatsoever upon the persons who are serving on the commission on the effective date of this Act or upon their terms of office.

2. **Rules, regulations and procedures.** All regulations currently in effect and operation in any board, commission or department referred to in this Act shall continue in effect unless in conflict with this Act, until rescinded, amended or changed according to law.

"Regulation" shall include, but is not limited to, any regulation, rule, order, administrative procedure, authorization, permit, license or agreement.

3. **Solid Waste Disposal Act.** The Department of Environmental Protection is designated as the agency for the State of Maine to perform all duties the State may have pursuant to 42 U.S.C.A. §§ 3251 to 3259, or any other solid waste programs, including the administration of any funds received by the State pursuant to said Act.

Sec. 16. Funds and equipment transferred. Notwithstanding the Revised Statutes, Title 5, section 1585, all accrued expenditures, assets, liabilities, balances or appropriations, transfers, revenues or other available funds in any account, or subdivision of an account, of any agency to be reallocated to another department strictly as a result of the reorganization effort, shall be

transferred to the proper place in the new structure by the State Controller, upon the recommendation of the department head, the State Budget Officer and upon approval by the Governor and Executive Council.

Sec. 17. Effective date. This Act shall become effective July 1, 1972.

Effective July 1, 1972

CHAPTER 619

AN ACT to Revise the Maine Land Use Regulation Commission Law.

Be it enacted by the People of the State of Maine, as follows:

Sec. 1. R. S., T. 12, § 683, amended. The 3rd sentence of section 683 of Title 12 of the Revised Statutes, as enacted by chapter 494 of the public laws of 1969 and as amended by section 3 of chapter 457 of the public laws of 1971, is further amended to read as follows:

The commission shall consist of 3 permanent members: The Director of Parks and Recreation, the Forest Commissioner and the State Planning Director; or their designated alternates and 4 members serving staggered 4-year terms to be appointed by the Governor with the advice and consent of the Council.

Sec. 2. R. S., T. 12, § 684, amended. Section 684 of Title 12 of the Revised Statutes, as enacted by chapter 494 of the public laws of 1969 and amended by section 4 of chapter 457 of the public laws of 1971, is further amended by adding a new paragraph at the end to read as follows:

Whenever the commission is required or empowered to conduct a hearing pursuant to any provision of law, such hearing may be held and conducted by the commission or by any member of the commission or by any qualified employee or representative of the commission as the commission may determine. If the hearing is conducted by a single commissioner or qualified employee or representative, such commissioner, employee or representative shall report his findings of fact and conclusions to the commission together with a transcript of the hearing and all exhibits. Such findings of fact and conclusions shall become a part of the record. The commission shall not be bound by such findings or conclusions when acting upon such record, but shall take such action, issue such orders and make such decisions as if it had held and conducted the hearing itself.

Sec. 3. R. S., T. 12, § 685-A, sub-§ 7, amended. The second paragraph of subsection 7 of section 685-A of Title 12 of the Revised Statutes, as enacted by section 5 of chapter 457 of the public laws of 1971, is amended as follows:

At least 30 days prior to holding a public hearing, the commission shall give notice of said hearing to the owners of **directly** affected lands by ~~certified or registered mail, return receipt requested~~ according to their names and addresses as shown on the records of the Bureau of Taxation.
