Chapter 28

RESOLVE, to Provide Funds for a Feasibility Study for New Marine Facilities for the Port of Portland.

Port of Portland; feasibility study. Resolved: That there is appropriated from the Unappropriated Surplus of the General Fund the sum of \$10,000 to the Maine Port Authority for the purpose of providing for a feasibility study of new marine facilities for the Port of Portland.

This is a study to determine the role that the Port of Portland might play in the extension of existing passenger and vehicle service; roll-on, roll-off shipping, and container handling facilities and services.

This study is designed to examine the economic feasibility of a proposed new "marine highway" concept between the Port of Portland and the Port of New York which would utilize the existing new ferry facilities in Portland.

Effective September 23, 1971
