AN ACT Appropriating Funds for an International Arrivals Building at Bangor International Airport.

Emergency preamble. Whereas, Acts and Resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, the future growth and development of Bangor International Airport and its effects on the overall economic development of the State of Maine require immediate construction of a new facility to handle international passenger and cargo traffic through said airport; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

This appropriation shall not lapse but shall remain a continuing carrying account until the purposes of this Act have been accomplished.
