### **AN ACT** to Create a Commission to Prepare a Revision of the Insurance Laws Relating to Insolvent or Delinquent Insurers.

**Emergency preamble.** Whereas, Acts of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, the purpose of this bill is to create a commission to prepare a revision of the insurance laws relating to insolvent or delinquent insurers and to present said revision to the regular session of the 107th Maine Legislature; and

Whereas, the commission must commence the performance of its duties immediately if it is to complete the revision in time; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

*Be it enacted by the People of the State of Maine, as follows:*

**Sec. 1. Commission; duties.** A special commission shall be constituted and appointed to supervise the preparation, in final legislative draft form, of proposed changes or additions to provisions of the Maine Insurance Code dealing with insolvent or delinquent insurers, such proposed revisions to be presented to the regular session of the 107th Maine Legislature. Such proposed revisions shall include all such changes, additions and redrafts as are deemed appropriate by such commission pertaining to the laws relating to delinquent or insolvent insurers, including, without limitation, revisions to sections of the Revised Statutes, Title 24-A, chapter 57, and revisions to any other sections of the Revised Statutes, Title 24 and Title 24-A and of any other Titles, pertinent to providing adequate and comprehensive laws relating to delinquent or insolvent insurers. Such revisions may, without limitation, incorporate such necessary repealers, amendments, additions and modifications of existing laws as, in the judgment of such commission, may be deemed necessary and appropriate to accomplish such purposes, and may include proposals for legislative enactments relating to insurance guaranty associations pertaining to various kinds of insurance and insurers, whether now existing or hereafter created, and may also include proposals for legislative enactments relating to other corporations affiliated, by stock ownership or otherwise, and whether as a holding company, subsidiary or affiliate, of any delinquent or insolvent insurer. Such revisions may include such new or modified provisions as, in the judgment of the commission, will best serve the interests of the people of the State of Maine, and of policyholders and creditors of delinquent insurers domiciled or transacting business in this State, and the commission may give due consideration to the insurance laws of other states, and requirements for enforcement thereof, and to the appropriate regulatory and administrative requirements of the Insurance Department. Such commission will hold such public hearings as may be deemed necessary or appropriate to acquaint insurers, and all other persons interested in the business of insurance, or the regulation thereof, with its proposals and recommendations, and the commission shall have full access to all of the records of the Insurance Department for the purposes of its investigations. It is the purpose and intent of this Act to provide such commission with sufficient authority and funds to enable it to carry out the foregoing purposes.
