CHAPTER 212

AN ACT to Incorporate the Vinalhaven-North Haven Water and Electric District.

Emergency preamble. Whereas, Acts of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, it is essential that a public district be formed in Vinalhaven and North Haven to take over a private water company or a private electric company or both of said companies forthwith in order to prevent the interruption of water and electric service; and

Whereas, it is vital that this be done at once for the benefit of the people of the area; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine, as follows:

Sec. 1. Territorial limits; name; purposes. The territory comprising the Towns of Vinalhaven and North Haven and the inhabitants of said towns are hereby created a body politic and corporate under the name of "Vinalhaven-North Haven Water and Electric District" for the purposes of supplying inhabitants and others in Vinalhaven with pure water for domestic, sanitary, commercial, industrial, agricultural and municipal purposes, and also for the purposes of making, buying, generating, selling and distributing electricity, light and power to the inhabitants and others in both Vinalhaven and North Haven. All incidental rights, powers and privileges, necessary to the accomplishment of the main objects herein set forth, are hereby granted to the said Vinalhaven-North Haven Water and Electric District.
