## CHAPTER 26

### AN ACT to Revise Certain Requirements of the Employment Security Law During Periods of Emergency.

**Emergency preamble.** Whereas, Acts of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, it can be reasonably expected that the insured rate of unemployment will go to a higher percentage than presently experienced; and

Whereas, this condition is creating unnecessary problems for both the worker and the departmental personnel; and

Whereas, the rigid adherence to the actively seeking work requirement during these periods of high unemployment creates an undue hardship upon both the worker and the employer; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

*Be it enacted by the People of the State of Maine, as follows:*

26 MRSA § 1192, sub-§ 3, as last amended by PL 1971, c. 538, § 23, is repealed and the following enacted in place thereof:

3. Is able and available for work. He is able to work and is available for work at his usual or customary trade, occupation, profession or business or in such other trade, occupation, profession or business for which his prior training or experience shows him to be fitted or qualified; and in addition to having complied with subsection 2 is himself actively seeking work in accordance with the regulations of the commission.

**Emergency clause.** In view of the emergency cited in the preamble, this Act shall take effect when approved.

Effective February 28, 1975
