of continuing professional pharmaceutical education as may be approved as herein provided. Such courses shall consist of subject matter pertinent to the following general areas of professional pharmaceutical education: The socioeconomic and legal aspects of health care, of properties and actions of drugs and dosage forms and the ideology, characteristics and therapeutics of the disease state. The specific subject matter of such courses may include but shall not be limited to the following: Pharmacology, biochemistry, physiology, pharmaceutical chemistry, pharmacy administration, pharmacy jurisprudence, public health and communicable diseases, pharmaceutical marketing, professional practice management, anatomy, histology and such other subject matter as represented in curricula of accredited colleges of pharmacy. The content of each course which shall be offered for credit under this continuing professional educational program shall be approved in advance of the course offered by a committee composed of equal representation from the board of pharmacy, hospital pharmacy and retail pharmacy within the State. The number and members of the committee shall be selected by the board of pharmacy and shall serve for a period of 2 years. In the initial year of the application of the statute, the board may reduce the number of hours of participation required based upon the number of days the statute is in effect during the initial calendar year. The board may make exceptions from the operation of the statute in emergency or hardship cases.

#### § 2914. Rules and regulations

The board of pharmacy may, consistent with the requirements of this subchapter, promulgate rules and regulations necessary to implement or administer this subchapter.

Effective October 1, 1975
