CHAPTER 688**AN ACT to Require the Employment Service to Provide Services to High School Students.**

Be it enacted by the People of the State of Maine, as follows:

26 MRSA § 1083, sub-§ 3 is enacted to read:

3. Services to students. The commissioner shall include in each annual plan of service a program for service to students in Maine public secondary schools. Such plan shall give priority of service to all public high school students, particularly those who do not have definite post-graduation plans for employment or further education. The service may provide to such students testing where appropriate, counseling concerning their ability and the availability of jobs, and any other services of the Employment Service which will assist them to obtain and retain suitable employment or further education, including services of the Job Bank.

Nothing in this subsection shall be construed as requiring the commissioner to submit an annual plan of service which would be out of compliance with Federal statutes or regulations governing this plan, or the programs or budgets conducted thereunder.

Effective July 29, 1976

Whereas, the Secretary of State is presently authorized by statute to refund the full fee paid for the registration of all motor vehicles except semitrailers, if he is satisfied that such registrations and license plates are unused; and

Whereas, because of the aforesaid absence of statutory authority, the Secretary of State is unable to give such refunds on unused semitrailer registrations, which has created an inequitable situation that results in a discrimination against the owners of semitrailers which could result in the ultimate loss of semitrailer registrations to other states and an attendant loss of revenue to the State of Maine; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of public peace, health and safety; now, therefore,
