PRIVATE AND SPECIAL LAWS
OF THE
STATE OF MAINE

AS PASSED AT THE
FIRST REGULAR SESSION

of the
ONE HUNDRED AND EIGHTH LEGISLATURE

1977

Whereas, the planning and developing of new health resources in rural Maine should be encouraged and coordinated by a single organization; and

Whereas, the Maine Health Systems Agency, Incorporated, is designated by the U. S. Department of Health, Education and Welfare as the only health systems agency in Maine to accomplish the tasks of health planning and resources development as outlined by Congress in Public Law 93-641; and

Whereas, state funding would enable the Maine Health Systems Agency, Incorporated, to involve ordinary people in planning and developing quality health services for all Maine people at a reasonable cost; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine, as follows:

Appropriation. There is appropriated to Maine Health Systems Agency, Incorporated, from the General Fund the sum of \$25,000 for the fiscal year ending June 30, 1978 and the sum of \$25,000 for the fiscal year ending June 30, 1979 to provide funds for Maine Health Systems Agency, Incorporated, to ensure that quality health care services are available at a reasonable cost to all Maine people.

Emergency clause. In view of the emergency cited in preamble, this Act shall take effect when approved.

Effective July 21, 1977

CHAPTER 72

AN ACT to Authorize a Bond Issue in the Amount of \$10,000,000 for Energy Conservation Improvements for State-owned Buildings and Public School Buildings.

Preamble. Two-thirds of both Houses of the Legislature deeming it necessary in accordance with the Constitution, Article IX, Section 14, to authorize the issuance of bonds on behalf of the State to provide funds for energy conservation improvements for state-owned buildings and public school buildings.

Be it enacted by the People of the State of Maine, as follows:

Sec. 1. Definitions. As used in this Act, the following terms shall have the following meanings.

1. **Energy conservation improvements.** Energy conservation improvements are improvements made to a building to increase energy efficiency.

These improvements include, but are not limited to, installation of storm windows, insulation and updating of heating, ventilation, electrical and lighting systems.

2. Energy efficiency survey. Energy efficiency surveys are comprehensive studies undertaken under the supervision of the Bureau of Public Improvements to determine the type of improvements that can be applied to a building in order to decrease the energy operating cost of that building. Such a survey includes a classification of no cost, low cost and major cost items and also includes a determination of the cost effectiveness of each of the recommended improvements.

3. Public school buildings. Public school buildings are public elementary and secondary school buildings which are subject to the provisions of the Revised Statutes, Title 20, sections 3457 and 3460.

4. State-owned buildings. State-owned buildings are all state-owned buildings subject to the Revised Statutes, Title 5, chapters 141 to 155.

Sec. 2. The issue of bonds to provide funds for energy conservation improvements to state-owned buildings and public school buildings. The Treasurer of State is authorized under the direction of the Governor to issue from time to time serial coupon bonds in the name and on behalf of the State to an amount not exceeding \$10,000,000 for the purpose of raising funds to provide for energy conservation improvements to state-owned buildings and public school buildings, as authorized by section 7. These bonds shall be deemed a pledge of the faith and credit of the State. These bonds shall not run for a longer period than 10 years from the date of the original issue thereof. Any issuance of bonds may contain a call feature at the discretion of the Treasurer of State with the approval of the Governor.

Sec. 3. Records of bonds issued to be kept by State Auditor and Treasurer of State. The State Auditor shall keep an account of such bonds, showing the number and amount of each, the date of countersigning, the date when payable and the date of delivery thereof to the Treasurer of State, who shall keep an account of each bond, showing the number thereof, the name of the person to whom sold, the amount received for the same, the date of sale and the date when payable.

Sec. 4. Sale, how negotiated; proceeds appropriated. The Treasurer of State may negotiate the sale of such bonds by direction of the Governor; but no such bond shall be loaned, pledged or hypothecated in behalf of the State. The proceeds of sales of such bonds, which shall be held by the Treasurer of State and paid by him upon warrants drawn by the Governor, are appropriated to be used solely for the purposes set forth in this Act. Any unencumbered balances remaining at the completion of the projects listed in section 7 shall lapse to the debt service account established for the retirement of these bonds.

Sec. 5. Interest and debt retirement. Interest due or accruing upon any bonds issued under this Act and all sums coming due for payment of bonds at maturity shall be paid by the Treasurer of State.

Sec. 6. Disbursement of bond proceeds. The proceeds of such bonds shall

be expended under the direction and supervision of the Director of Public Improvements.

The Bureau of Public Improvements shall keep records of the energy savings of all projects funded under this Act. This record shall be a public record.

Sec. 7. Allocations from bond issue.

EDUCATIONAL AND CULTURAL SERVICES, DEPARTMENT OF

Public elementary and secondary schools.

Funds shall be disbursed on the basis of 90% state matching funds in accordance with the results of the energy efficiency surveys and with the approval of the Commissioner of Educational and Cultural Services. The remaining 10% of the cost shall be borne by participating local school units and will not be eligible for state reimbursement.

COST: \$5,000,000

PUBLIC IMPROVEMENTS, BUREAU OF

Funds for state departments and agencies shall be disbursed on the basis of 100% of the cost of the energy efficiency surveys and of energy conservation improvements.

COST: \$5,000,000

Sec. 8. Retroactive reimbursement. Energy conservation improvements to public school buildings and state-owned buildings undertaken between June 1, 1977 and January 2, 1978 may be considered reimbursable under the provisions of this Act as determined by the Director of the Bureau of Public Improvements or by the Commissioner of Educational and Cultural Services provided that the following criteria have been met:

1. **Purpose.** The improvements were undertaken specifically for energy conservation.

2. **Priority.** The buildings to which the energy conservation improvements were made would be eligible for energy conservation improvements under this Act, and the improvements were a high priority measure as determined by the Director of the Bureau of Public Improvements or the Commissioner of Educational and Cultural Services.

Sec. 9. Contingent upon ratification of bond issue. Sections 1 to 8 of this Act shall not become effective unless and until the people of the State shall have ratified the issuance of bonds as set forth in this Act.

Sec. 10. Statutory referendum procedure; form of question; effective date. This Act shall be submitted to the legal voters of the State of Maine at a special statewide election to be held on the Tuesday following the first Monday of November following passage of this Act. The city aldermen, town selectmen and plantation assessors of this State shall notify the inhabitants of their respective cities, towns and plantations to meet, in the manner prescribed by law for holding a statewide election, to vote on the acceptance or rejection of this Act by voting on the following question:

“Shall, ‘AN ACT to Authorize a Bond Issue in the Amount of \$10,000,000 for Energy Conservation Improvements for State-owned Buildings and Public School Buildings,’ as passed by the First Regular Session of the 108th Legislature, be approved?”

The legal voters of each city, town and plantation shall vote by ballot on this question, and shall designate their choice by a cross or check mark placed within a corresponding square below the words “Yes” or “No.” The ballots shall be received, sorted, counted and declared in open ward, town and plantation meetings and returns made to the Secretary of State in the same manner as votes for members of the Legislature. The Governor shall review the returns, and, if it appears that a majority of the legal votes are in favor of the Act, the Governor shall proclaim that fact without delay, and the Act shall become effective 30 days after the date of the proclamation.

The Secretary of State shall prepare and furnish to each city, town and plantation all ballots, returns and copies of this Act necessary to carry out the purpose of this referendum.

Effective as Provided by the Act
