Augusta, Maine

PUBLIC LAWS
OF THE
STATE OF MAINE
AS PASSED AT THE
SECOND REGULAR SESSION
of the
ONE HUNDRED AND NINTH LEGISLATURE
January 2, 1980 to April 3, 1980

authority that all licenses required from that commission have been issued or none are required. Second, when the authority has received a proposed project for consideration, it shall so notify and send a copy of the project proposal to the Director of the Office of Energy Resources. Not later than 30 days after receipt of the notice and proposal, the director shall send his comments on the project to the authority. The authority shall take the comments into consideration in its consideration of the project. No director, agent or employee of the Office of Energy Resources may divulge or disclose any information obtained from the authority concerning the name of any applicant, lessee, or tenant or information supplied by an applicant, lessee, tenant, mortgagee, financial institution, municipality or local development corporation in relation to any project proposal.

Sec. 9. 10 MRSA § 876, as enacted by PL 1977, c. 489, § 12, is amended to read:

§ 876. Purpose

It is declared that there is a statewide need for industrial-commercial projects, pollution-control projects, recreational projects, energy generating systems, energy distribution systems, multi-level parking facilities and combined projects to provide enlarged opportunities for gainful employment by the people to generate and distribute energy to restore purity to the air, the water or the earth of the State which are fouled with, among other things, industrial and other waste materials and pollutants, to more adequately serve the working people of this State, and to provide a more healthy environment and thus to insure the preservation and betterment of the economy of the State and the living standards and health of its inhabitants.

Effective July 3, 1980

CHAPTER 676

H. P. 1913 — L. D. 1978

AN ACT Adopting the Voluntary Energy Efficiency Building Performance Standards.

Be it enacted by the People of the State of Maine, as follows:

Sec. 1. 10 MRSA § 1415, as enacted by PL 1979, c. 503, § 2, is repealed.

Sec. 2. 10 MRSA § 1415-A is enacted to read:

§1415-A. Energy efficiency standards

1. **Building standards.** The director, in accordance with the Maine Administrative Procedure Act, Title 5, chapter 375, and with the approval of the advisory council, shall adopt energy performance building standards for buildings and such rules as are necessary for the administration of this chapter. The standards shall be consistent with the provisions of the State of Maine Energy Conservation Building Standards prepared by the commission and shall include envelope heat loss standards consistent with Chapter 4 of the ASHRAE 90 Standards. Any building which is offered for sale or lease and is advertised or promoted as meeting the performance standards in this section or any other energy standard in conformance with this section shall meet these standards. The standards shall include:
