CHAPTER 40

H. P. 1461 — L. D. 1653

AN ACT to Extend the Territory of the Gardiner Water District and to Enlarge the Board of Trustees.

Emergency preamble. Whereas, Acts of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, the Gardiner Water District is and will be in the immediate future engaged in major financial activities in order to insure the continued availability of a public water supply for the health and well-being of the inhabitants of the district; and

Whereas, it is essential that a number of changes be made to the charter to enable the district to more efficiently undertake necessary activities; and

Whereas, the district serves a large population beyond the territorial limits of the district that provides the district with approximately 1/3 of the total revenues received by the district; and

Whereas, the population outside the district has proposed to become part of the district, and extension of the territorial limits of the district is necessary to provide representation for a significant population on the Board of Trustees; and

Whereas, the additions to the Board of Trustees will provide valuable input and direction to the district; and

Whereas, in the judgment of the Legislature these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine, as follows:

Sec. 1. P&SL 1903, c. 82, § 1, as amended by P&SL 1951, c. 153, is repealed and the following enacted in its place:

Sec. 1. Territorial limits; corporate name; purposes. The territorial limits of the municipalities of Gardiner, Farmingdale and Randolph and the people within those limits are hereby made and declared to be a public water district and a quasi-municipal corporation under the name of "Gardiner Water District." The Gardiner Water District shall supply the inhabitants of the water district and the inhabitants of Pittston with pure water for domestic and municipal purposes.

Sec. 2. P&SL 1903, c. 82, § 5, first ¶, first sentence, is repealed and the following enacted in its place:

All the affairs of the water district shall be managed by a board of trustees composed of 6 members to be chosen by the municipal officers of their respective municipalities, but no member of the city council or selectmen's office shall, during the term for which he is elected, be chosen one of the board of trustees. Four trustees shall represent the City of Gardiner, one trustee shall represent the Town of Farmingdale and one trustee shall represent the Town of Randolph.

Sec. 3. P&SL 1903, c. 82, § 5, first ¶, 3rd sentence, is repealed and the following enacted in its place:

The 3 trustees, appointed by the municipal officers immediately following the effective date of this Act in 1979, shall determine by lot the term of office of each newly appointed trustee so that one shall serve for one year, one for 2 years and one for 3 years. Thereafter, the trustees shall be appointed for a 3-year term. Trustees presently appointed to the Gardiner Water District's Board of Trustees shall serve until the expiration of their terms. Whenever the term of office of a trustee expires, the municipal officers of the municipality which the trustee represents shall appoint a successor to serve a term of 3 years. In the event that any other vacancy occurs, it should be filled according to the same procedure for the unexpired term.

Sec. 4. P&SL 1903, c. 82, § 5, 2nd ¶, as enacted by P&SL 1955, c. 194, § 3 is repealed and the following enacted in its place:

The trustees, on or before the deadline set by the Public Utilities Commission for the filing of the district's annual report to the Public Utilities Commission, shall file with the municipal officers of the municipalities within the district a report of the activities of the trustees of the district and a statement of the receipts and disbursements of the water district during the year ending December 31st next preceding, and this shall be deemed the fiscal year of the water district.
