AN ACT Establishing Expenditure Limits for Federal Funds Expended by State Departments and Agencies for the Fiscal Year Ending June 30, 1980.

Emergency preamble. Whereas, Acts of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

PRIVATE AND SPECIAL LAWS

Whereas, the 90-day period may not terminate until after the beginning of the next fiscal year; and

Whereas, certain obligations and expenses incident to the operation of state departments and institutions will become due and payable immediately after July 1, 1979; and

Be it enacted by the People of the State of Maine, as follows:

PART A

Sec. 1. Expenditure limits established. In order to provide for the expenditures necessary for the operation of State Government for the fiscal year ending June 30, 1980, the sums as designated in the following tabulation are hereby established as federal expenditure limits. Upon receipt of allotments duly approved by the Governor based upon work programs submitted to the State Budget Officer, the State Controller shall authorize expenditures of these limits on the basis of such allotments and not otherwise.

Sec. 2. Salary plan adjustments. Expenditure limits in all federal accounts may be adjusted by the State Budget Officer with the approval of the Governor to specifically cover the adjustments determined to be necessary under any salary plan approved by the Legislature.
