## CHAPTER 228

H. P. 1190 — L. D. 1414

### AN ACT Relating to Seeking Work and Accepting Suitable Work to be Eligible for Extended Unemployment Benefits.

**Emergency preamble.** Whereas, Acts of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, the Employment Security Law must provide for payment of extended benefits during certain periods in conformity with provisions of the Federal-State Extended Unemployment Compensation Act of 1970; and

Whereas, amendments made by the United States Omnibus Reconciliation Act, P.L. 96-499, specify criteria for seeking work and accepting suitable work with regard to extended benefit claimants; and

Whereas, new federal conformity requirements mandate state implementation of these measures effective the first week after March 31, 1981; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

**Be it enacted by the People of the State of Maine, as follows:**

26 MRSA § 1195, sub-§§ 3-A to 3-F are enacted to read:

**3-A. Failure to accept or seek work as grounds for ineligibility.** Notwithstanding subsection 3, an individual shall be ineligible for payment of extended benefits for any week of unemployment in his eligibility period if the deputy finds that during such period:

**A. He failed to accept an offer of suitable work, as defined under subsection 3-C, or failed to apply for any suitable work to which he was referred by the employment service; or**
