CHAPTER 526

S. P. 475 — L. D. 1358

AN ACT to Authorize the Department of Environmental Protection to Provide Technical Assistance to Municipalities and other Quasi-municipal Entities Regarding Solid Waste Management.

Be it enacted by the People of the State of Maine, as follows:

Sec. 1. 38 MRSA § 342, sub-§ 6 is enacted to read:

6. Technical services. The commissioner may provide technical assistance, advice and consultation at the request of any municipality or quasi-municipal entity on matters relating to solid waste management. Technical services may include, but not be limited to, technical advice regarding the operation of waste management facilities or services and employment of consultants to assist in the location or design of any type of solid waste facility. The assignment of consultants shall be based upon demonstrated need, including, but not limited to, placement on the open-dump inventory list, noncompliance with orders of the board or noncompliance with state or federal rules. This subsection is repealed on June 30, 1983.

Sec. 2. Legislative intent. It is the intent of the Legislature that the technical assistance program authorized by this Act shall be reviewed by the Joint Standing Committee on Energy and Natural Resources in order to determine if it should be terminated, modified or continued. The committee shall report its findings and recommendations to the First Regular Session of the 111th Legislature.

Sec. 3. Appropriation. The following funds are appropriated from the General Fund to carry out the purposes of this Act.
