AN ACT Concerning the Protection of Incapacitated and Dependent Adults.

Be it enacted by the People of the State of Maine, as follows:

Sec. 1. 22 MRSA c. 958, as enacted by PL 1973, c. 631, § 2, and as amended, is repealed.

Sec. 2. 22 MRSA c. 958-A is enacted to read:

CHAPTER 958-A

ADULT PROTECTIVE SERVICES ACT

SUBCHAPTER I

GENERAL PROVISIONS

§ 3470. Title

This Act may be cited as the Adult Protective Services Act.

§ 3471. Declaration of policy and legislative intent

The Legislature recognizes that many adult citizens of the State, because of incapacitation, are unable to manage their own affairs or to protect themselves from abuse, neglect, exploitation or physical danger. Often these persons cannot find others able or willing to render assistance. The Legislature intends, through this Act, to establish a program of protective services designed to fill this need and to assure its availability to all incapacitated and dependent adults who are faced with abuse, neglect, exploitation or physical danger. It is also the intent of the Legislature to authorize only the least possible restriction on the exercise of personal and civil rights consistent with the person's need for services and to require that due process be followed in imposing those restrictions.

§ 3472. Definitions

As used in this chapter, unless the context indicates otherwise, the following terms have the following meanings.

1. Abuse. "Abuse" means the willful infliction of injury, unreasonable confinement, intimidation or cruel punishment with resulting physical harm or pain or mental anguish; or the willful deprivation of essential needs.

2. Adult. "Adult" means any person who has attained the age of 18 years.

3. Caretaker. "Caretaker" means any individual or institution who has or assumes the responsibility for the care of an adult.

4. Commissioner. "Commissioner" means the Commissioner of Human Services or his representative in the geographical area in which the person resides or is present or, in the case of mentally retarded adults, the Commissioner of Mental Health and Corrections or his representative in the geographical area in which the person resides or is present.

5. Department. "Department" means the Department of Human Services and, in the case of mentally retarded adults, the Commissioner of Mental Health and Corrections.

6. Dependent adult. "Dependent adult" means any adult who is wholly or partially dependent upon one or more other persons for care or support, either emotional or physical, and who would be in danger if that care or support were withdrawn.

7. Emergency. "Emergency" refers to a situation where:

A. The incapacitated or dependent adult is in immediate risk of serious harm;

B. The incapacitated or dependent adult is unable to consent to services which will diminish or eliminate the risk; and

C. There is no guardian to consent to emergency services.

8. Emergency services. "Emergency services" refer to those services necessary to avoid serious harm.

9. Exploitation. "Exploitation" means the illegal or improper use of an incapacitated or dependent adult or his resources for another's profit or advantage.

10. Incapacitated adult. "Incapacitated adult" means any adult who is impaired by reason of mental illness, mental deficiency, physical illness or disability to the extent that he lacks sufficient understanding or capacity to make or communicate responsible decisions concerning his person, or to the extent the adult cannot effectively manage or apply his estate to necessary ends.

11. Neglect. "Neglect" means a threat to an adult's health or welfare by physical or mental injury or impairment, sexual abuse or exploitation, deprivation of essential needs or lack of protection from these.

12. Protective services. "Protective services" means services which will separate incapacitated or dependent adults from danger. Protective services include, but are not limited to, social, medical and psychiatric services necessary to preserve the incapacitated adult's rights and resources and to maintain the incapacitated adult's physical and mental well-being.

Protective services may include seeking guardianship or a protective order under Title 18-A, Article 5. The department shall classify as protective clients the incapacitated adults who receive protective services.

3. **Mandatory disclosure of records.** The department shall disclose relevant information in the records to the following persons:

Access shall be limited to in-camera inspection, unless the court determines that public disclosure of the information is necessary for the resolution of an issue pending before it; and

C. A grand jury on its determination that access to those records is necessary in the conduct of its official business.
