12 MRSA §8424, sub-§3, last ¶, as repealed and replaced by PL 1981, c. 278, §5, is amended by adding at the end the following:

Forest land which is eligible for inclusion within the spray project and which has been accepted by the director may be withdrawn from the spray program area prior to the end of the 5-year period, provided that the withdrawal is made no later than December 1st to be effective for the spray project of the following year and that during the 5-year period:

A. Changes in present law, regulation or Maine Forest Service policy prohibit the forest land from being treated with either biological or chemical insecticides;

B. Natural disaster, such as forest fire or blowdown make insecticide treatment impractical; or

C. The director determines that withdrawal of the forest land furthers the legislative policies of this subchapter.

Effective July 13, 1982.
