tivities, when the State Entomologist believes that an insect infestation is a public nuisance and is able to identify the source or sources of the infestation, he shall refer all this information to the Attorney General.

Effective July 13, 1982.

CHAPTER 572

S.P. 768 - L.D. 1826

AN ACT to Clarify the Certificate of
Approval Holder and Maine Wholesale
Licensee Agreement Act.

Be it enacted by the People of the State of Maine as follows:

28 MRSA §667, as enacted by PL 1979, c. 270, is amended by adding at the end 2 new paragraphs to read:

Each holder of a certificate of approval shall file with his application a list giving the name and address of each bottler and wholesale dealer authorized to distribute products of that certificate holder and designating the exclusive territory assigned to each wholesaler within the State. Wholesalers shall not sell those products to licensees outside of the exclusive territory so allocated and designated, unless previously authorized by the bureau.

It is unlawful for any wholesaler licensee to purchase alcoholic beverages from other than the primary source of supply within the United States. "Primary source of supply" means the distiller, the bottler, the brewer, the brand owner or the designated agent of any such distiller, brewer or brand owner.

Effective July 13, 1982.
