CHAPTER 595

H.P. 2165 - L.D. 2064

AN ACT to Amend the Maine Turnpike Authority Statutes.

Emergency preamble. Whereas, Acts of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, the 90-day period will not terminate until after the beginning of the next fiscal year; and

Whereas, certain obligations and expenses incident to the operation of departments and agencies will become due and payable on or immediately after July 1, 1982; and

Whereas, the continued existence of the Maine Turnpike Authority is necessary to operate, reconstruct and maintain the Maine Turnpike in a manner which adequately protects the safety of the public and which furthers the economic and social well-being of the citizens of the State, and is also necessary to collect tolls and issue bonds to provide for such operation, reconstruction and maintenance; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 5 MRSA §1092, sub-§14, ¶E, as enacted by PL 1977, c. 658, §1, is repealed.
