CHAPTER 623

S.P. 762 - L.D. 1820

AN ACT to Require Municipal Approval Prior to Issuing Permits to Discharge Petroleum Products into the Tidal Waters of the State.

Be it enacted by the People of the State of Maine as follows:

38 MRSA §362-A, as enacted by PL 1973, c. 423, §3, is amended by adding at the end a new paragraph to read:

Prior to applying for approval of any project involving discharge of petroleum products to tidal waters under this section, the applicant shall first obtain written approval from the municipal officers of the municipality in which the project is proposed to take place. The applicant shall provide the municipal officers with a complete description of the project at least 90 days prior to the proposed date of the project. The municipal officers may hold a public hearing, provided that it is held within 45 days of the filing of the application with the municipality. The municipal officers shall approve a project within 60 days of receipt if they find that the project will not constitute a hazard

to the health, safety or welfare of the residents of the municipality.

Effective July 13, 1982.
