## CHAPTER 630

H.P. 2049 - L.D. 1997

### AN ACT to Establish the Cost of the 1982 Spruce Budworm Spray Project and Amend the Spruce Budworm Suppression Act.

Emergency preamble. Whereas, Acts of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, prompt determination of the cost of the spruce budworm spray project is necessary in order to establish the preproject taxes to be assessed on landowners in the spray program area; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 12 MRSA §8427, sub-§4, first sentence, as enacted by PL 1979, c. 737, §12, is amended to read:

The Fifty percent of the pre-project excise tax is due April 30th of the year in which it is assessed; the remaining 50% shall be due July 31st of that year.

Sec. 2. Spruce Budworm Spray Project Cost. In accordance with the Revised Statutes, Title 12, section 8426, the Legislature determines the cost of the 1982 Spruce Budworm Spray Project is \$7,500,000.

Emergency clause. In view of the emergency cited in the preamble, this Act shall take effect when approved.

Effective April 2, 1982.
