§9. Fees for service

1. Reasonable fees authorized. The Department of Human Services may charge reasonable fees for any services provided under this Title whether directly or indirectly provided by the department. Any fees thus received shall constitute a permanent fund for use by the department as special revenue income and shall not become part of the General Fund. Fees so generated shall be utilized in accordance with federal regulations.

2. Sliding fee scale. The department may establish a sliding fee scale for the provision of community-based purchased services administered by the Bureau of Social Services.

A. The sliding fee scale shall be based on gross family income and family size.

B. Any fees charged as a result of implementing this subsection shall be paid to the provider of the service and shall be used by the provider for additional services of the same or related type for which the fees were paid.

Effective September 23, 1983.
