CHAPTER 614

S.P. 737 - L.D. 2027

AN ACT to Streamline Procedures for Financial Institution Branch Changes and to Clarify what Constitutes an On-premise Facility.

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 9-B MRSA §334, sub-§5, as enacted by PL 1975, c. 500, §1, is amended to read:

5. Location of facilities on premises. Nothing shall preclude a financial institution from locating an electronic terminal on the premises of its main office or of a branch office for its customers' convenience. Access by other financial institutions to such on-premise facilities shall be at the discretion of said financial institution.

An on-premise facility is a facility which is located physically on the premises of a main office or branch or one which is an extension of or ancillary to an existing main office or branch. Only one ancillary or extended facility is permitted at each main office or branch. For purposes of this section, a facility is considered to be ancillary to or an extension of an existing office if it is situated on the parcel of land on which the branch or main office is located and not across a public way, or within 500 feet, whichever is greater, and not operational from within the confines of another establishment.

Sec. 2. 9-B MRSA §336, sub-§1, as amended by PL 1975, c. 666, §17, is repealed and the following enacted in its place:

1. Notification required; application upon request. At least 30 days prior to the relocation of a main office or the establishment, moving or closing of a branch or agency office or facility authorized by this chapter, the institution shall notify the superintendent of the proposed action. A complete application for the action may be required only when the superintendent or any interested person requests that a complete application be filed within 30 days of notice. The notification or application, if requested, shall be filed with the superintendent in the form and manner and containing information as the

superintendent may prescribe. If no application is requested within the 30-day period, the change shall be deemed approved. A fee shall accompany the notification in an amount established by the superintendent but not to exceed 1/2 of the application fee.

Effective July 25, 1984.

6. Transition. The provisions of this section that apply to the required training and certification of part-time and reserve law enforcement officers shall become effective on January 1, 1986.
