## CHAPTER 711

S.P. 764 - L.D. 2072

### AN ACT to Avoid Lapsing Certain State Appropriated Public Transportation Funds.

Emergency preamble. Whereas, Acts of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, the 90-day period may not terminate until after the end of this fiscal year; and

Whereas, the present requirement that these funds be encumbered by the end of the fiscal year is inconsistent with federal funding availability and this program; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:

PL 1983, c. 110, Pt. A, §23, under the caption "TRANSPORTATION, DEPARTMENT OF" is amended by striking out the first 2 lines of that part relating to Transportation Services and inserting in their place the following:

Transportation Services

<u>All Other</u>	<u>3,078,698</u>	<u>2,613,198</u>
------------------	------------------	------------------

Any unencumbered balances  
of the funds shall not  
lapse at the end of the

fiscal year, but shall carry forward until the purpose for which they were appropriated has been accomplished.

Emergency clause. In view of the emergency cited in the preamble, this Act shall take effect when approved.

Effective April 9, 1984.
