## CHAPTER 724

H.P. 1656 - L.D. 2186

### AN ACT to Establish Farm Programs at Correctional Facilities.

Be it enacted by the People of the State of Maine as follows:

34-A MRSA §1403, sub-§7 is enacted to read:

7. Establishment of farm programs at correctional facilities. The commissioner may establish a farm program at each correctional facility for the purposes of producing agricultural and farm products and teaching prisoners and juvenile clients cultivation and gardening techniques.

A. Products from those farm programs shall be used by correctional facilities. If a surplus exists, it may be:

(1) Sold or distributed to other state, county or local governmental entities;

(2) Exchanged with other state, county or local governmental entities for services or other goods; or

(3) Sold to or exchanged with private Maine businesses.

B. The revenue generated by the sale of those farm products shall be deposited in a special account. This account shall not lapse at the end of a fiscal year but may be carried forward from year to year. If the amount in the fund exceeds \$100,000, the excess in the account shall be transferred to the General Fund.

C. These funds in this special account may be expended to implement farm programs in correctional facilities. These expenditures include, but are not limited to, the purchase of necessary materials and equipment, construction, administrative costs and employee salaries.

Effective July 25, 1984.
