## CHAPTER 20

H.P. 488 - L.D. 585

AN ACT to Authorize a Self-liquidating  
Bond Issue for Lincoln County for  
Renovation of and Addition to the  
Lincoln County Jail and Public Safety  
Facility.

Emergency preamble. Whereas, Acts of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, Lincoln County has an immediate need to begin construction on the county jail project; and

Whereas, undue delay in beginning construction will increase the cost of the project to the taxpayers by 20%; and

Whereas, immediate authorization for the bond issue will prevent the unnecessary cost increase; and

Whereas, in the judgment of the Legislature,

these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:

**Sec. 1. Raise money for new detention facility.** Notwithstanding the Revised Statutes, Title 30, section 404, the county commissioners of Lincoln County are authorized to raise and expend a sum not exceeding \$500,000 for the renovation of and addition to the Lincoln County jail.

**Sec. 2. Aid from other sources.** The county commissioners of Lincoln County are authorized to borrow any portion of the sums herein authorized from or through any agency or department of the State and of the Federal Government. The county commissioners are authorized to receive grants of money and other assistance from or through any agency or department of the State and of the Federal Government for any of the purposes authorized in this Act.

**Sec. 3. Bonds.** To provide funds for the renovation of and addition to the detention facility, the treasurer of Lincoln County, with the approval of the county commissioners, may borrow from time to time upon the full faith and credit of the county such sums not exceeding in the aggregate \$500,000 as may be necessary, and may issue self-liquidating bonds therefor which shall bear on their face the words "Lincoln County Capital Improvement Bonds Act of 1983." Each authorized issue shall be payable in such annual installments, beginning not more than 2 years from the date thereof and not earlier than the year 1986, as will extinguish each loan in not more than 20 years from its date. The bonds shall be signed by the treasurer of the county and countersigned by the majority of the county commissioners. The county may sell these securities at public or private sale upon such terms and conditions as the county commissioners may deem proper, but at not less than par and accrued interest. These bonds shall be valid without first obtaining the consent of that county as provided in the Revised Statutes, Title 30, section 404.

**Sec. 4. Temporary notes.** The county treasurer, with the approval of the county commissioners, may issue temporary notes of the county, payable in not more than one year from their dates, in anticipation of the issue of serial bonds under this Act and may renew the notes, but the time within which these serial bonds shall become due and payable shall not,

by reason of these temporary notes, be extended beyond the term fixed by this Act. Any notes issued in anticipation of the serial bonds shall be paid from the proceeds thereof.

**Emergency clause.** In view of the emergency cited in the preamble, this Act shall take effect when approved.

Effective April 1, 1983.
