CHAPTER 65

H.P. 1393 - L.D. 1816

AN ACT Relating to Conferring Degrees by Thomas College.

Emergency preamble. Whereas, Acts of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, permission is required of this Legislature for any institution of higher education to confer academic, education, literary or professional degrees upon recommendation of the State Board of Education; and

Whereas, the graduate school at Thomas College requests approval to grant an additional graduate degree, that is, a Master of Business Administration; and

Whereas, this change will more accurately identify the nature of the current graduate curriculum and does not reflect a change in the purpose or content of the current graduate program; and

Whereas, it is necessary to permit this additional degree designation in order to allow 1984 graduates to have the proper degree designation on their diplomas; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:

Degrees. In addition to the rights, privileges and powers granted to Thomas College by the Revised Statutes of 1954, chapter 54; the Private and Special Laws of 1959, chapter 117; the Private and Special Laws of 1963, chapter 72; the Private and Special Laws of 1969, chapter 61; the Private and Special Laws of 1973, chapter 203; and the Private and Special Laws of 1975, chapter 134, Thomas College, by appropriate action of its trustees, may confer, upon all who satisfactorily complete such courses of study as the trustees may prescribe, a Master of Business Administration Degree.

Emergency clause. In view of the emergency cited in the preamble, this Act shall take effect when approved.

Effective March 5, 1984.
