CHAPTER 49

H.P. 1455 - L.D. 1907

RESOLVE, Adopting a Permanent Plan for Federal Surplus Property.

Emergency preamble. Whereas, Acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, the United States Property and Administrative Services Act of 1949, Section 203(j) (4) (A), as amended, requires that each state develop a detailed plan of operation before any federal surplus property may be transferred to any state agency; and

Whereas, the United States General Services Administration has established June 30, 1984, as the

deadline for submission of a permanent plan of operation, and failure to adopt a plan could result in hardship to state agencies and nonprofit organizations seeking federal surplus property; and

Whereas, the Revised Statutes, Title 5, section 287-A, designate the Department of Finance and Administration as the state agency to receive and distribute federal surplus property, and the department, through the Bureau of Purchases, has acted as the state agency for surplus property since 1977, under a temporary plan of operations; and

Whereas, the Department of Finance and Administration has developed a "State of Maine, Plan of Operation, Surplus Property Program, June 30, 1984," and it is the desire of the State to adopt these rules as its permanent plan of operation as contemplated by federal law; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore, be it

RESOLVED: That the Legislature adopt and declare the Department of Finance and Administration plan entitled "State of Maine, Plan of Operation, Surplus Property Program, June 30, 1984," to be this state's permanent plan of operation for the administration of federal surplus property; and be it further

RESOLVED: That, to comply with federal regulations, this resolve be sent to the Governor and he shall certify and submit the permanent plan to the appropriate federal administrator for approval.

Emergency clause. In view of the emergency cited in the preamble, this resolve shall take effect when approved.

Effective March 2, 1984.
