CHAPTER 128

H.P. 302 - L.D. 391

AN ACT to Authorize the Use of Energy Service Companies and 3rd-Party Financing for Conservation Improvements at State Facilities.

Be it enacted by the People of the State of Maine as follows:

5 MRSA §1767 is enacted to read:

§1767. Energy service companies and 3rd-party financing

Any department or agency of the State, subject to approval of the Bureau of Public Improvements, may enter into an agreement with a private party such as an energy service or 3rd-party financing company for the design, installation, operation, maintenance and financing of energy conservation improvements at state facilities.

Any department or agency of the State, subject to approval by the Bureau of Public Improvements, at the termination of the agreement with the private party pursuant to this section, may acquire, operate and maintain the improvement, may renew the agreement with the private party or may make an agreement with another private party to operate and maintain the improvement.

All agreements made with private parties as contemplated in this section shall be subject to review by a subcommittee of the joint standing committee of the Legislature having jurisdiction over appropriations and financial affairs.

The provisions of section 1587 shall not apply to an agreement with a private party as contemplated in this section, except in the event that the state department or agency chooses to exercise an option to purchase energy conservation improvements, the department or agency before or at the time of the exercise of the option shall submit the proposed purchase of the energy conservation improvements for approval by the Legislature through the usual budget procedure.

Effective September 19, 1985.
