CHAPTER 689

H.P. 1469 - L.D. 2071

AN ACT Concerning State Contribution to Pollution Abatement.

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 38 MRSA §411, first ¶, as repealed and replaced by PL 1985, c. 479, §3, is amended to read:

The department may pay an amount at least 15%, but not to exceed 45%, of the expense of a municipal or quasi-municipal pollution abatement construction program or a pollution abatement construction program in an unorganized township or plantation authorized by the county commissioners. The department may pay up to 90% of the expense of a municipal or quasi-municipal pollution abatement construction program or a pollution abatement construction program in an unorganized township or plantation authorized by the

county commissioners in which the construction cost of the project does not exceed \$100,000 .so long as total expenditures for the small projects do not exceed \$1,000,000 in any fiscal year and not more than one grant is made to any applicant each year, except that the department may pay up to 50% of the expense of individual projects serving seasonal dwellings or commercial establishments. The application for a grant under this paragraph for a project serving a single-family dwelling, including outbuildings, or a single commercial establishment, shall include a signed statement of the financial condition of the owner of the single-family dwelling or commercial establishment describing the need for the grant. That statement will become part of the application record and no further evidence of need will be required.

Sec. 2. 38 MRSA §411, 2nd ¶, as enacted by PL 1985, c. 479, §3, is amended to read:

The department, consistent with funding provided for the purpose of abating pollution from salt and sand-salt storage areas, may pay up to 50% of the expense of a municipal or quasi-municipal salt or sand-salt storage pollution abatement construction program or a salt or sand-salt storage pollution abatement construction program authorized by the county commissioners as long as total expenditures for salt or sand-salt storage buildings do not exceed \$2,500,000 per fiscal year and no municipal or quasi-municipal or county entity receives more than \$50,000 for salt or sand-salt storage buildings. Municipalities or counties may be reimbursed for salt or sand-salt storage buildings constructed after July 1, 1985 in accordance with rules promulgated by the department. State grant-in-aid participation under this section shall be limited to grants for waste treatment facilities, interceptor systems, outfalls and salt or sand-salt storage buildings. The word "expense" shall not include costs relating to land acquisition or debt service, unless allowed under federal statutes and regulations.

Sec. 3. Applicability. This Act shall not apply to any applications under the Maine Revised Statutes, Title 38, section 411, made prior to March 1, 1986.
