ers of the State of Maine at the next general election in the month of November following passage of this Act. The city aldermen, town selectmen and plantation assessors of this State shall notify the inhabitants of their respective cities, towns and plantations to meet, in the manner prescribed by law for holding a statewide election, to vote on the acceptance or rejection of this Act by voting on the following question:

"Do you favor a \$6,000,000 bond issue to provide funds to identify and correct asbestos problems in state facilities?"

The legal voters of each city, town and plantation shall vote by ballot on this question, and shall designate their choice by a cross or check mark placed within a corresponding square below the word "Yes" or "No." The ballots shall be received, sorted, counted and declared in open ward, town and plantation meetings and returns made to the Secretary of State in the same manner as votes for members of the Legislature. The Governor shall review the returns and, if it appears that a majority of the legal voters are in favor of the Act, the Governor shall proclaim that fact without delay, and the Act shall become effective 30 days after the date of the proclamation.

The Secretary of State shall prepare and furnish to each city, town and plantation all ballots, returns and copies of this Act necessary to carry out the purpose of this referendum.

Effective pending referendum.

CHAPTER 141

H.P. 1760 - L.D. 2440

AN ACT Amending the Charter of the Farmington Village Corporation.

Emergency preamble. Whereas, Acts of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, the 90-day period will not terminate until late summer or early fall of 1986; and

Whereas, Maine District Court 12, Franklin Division offices must move out of the Franklin County

Courthouse by September 1, 1986, in order to be accessible to the handicapped; and

Whereas, the State may elect to lease land and buildings for office space and parking for District Court 12, Franklin Division, and other state offices at property that may be acquired by the Farmington Village Corporation; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:

P&SL 1911, c. 142, §2, as amended by P&SL 1947, c. 80, is further amended by adding at the end the following:

To purchase land and buildings for public offices and parking, and to expend money in the alteration and extension of buildings purchased and for the construction of new buildings, and for the general improvements of the land and buildings and for the purchase of fixtures and furnishings therefor, and for the operation thereof for those purposes; and to lease without profit, except to recover costs of operation and maintenance costs of acquisition, including costs of amortization, costs of improvements and costs of fixtures and furnishings, for office space for federal, state, county or municipal offices and parking; and the Farmington Village Corporation at any legal meeting called for that purpose may vote to sell the land, buildings, improvements, fixtures and furnishings to the inhabitants of the Town of Farmington at such time and for such sum of money as voted. The property shall not be taxable by the Town of Farmington.

Emergency clause. In view of the emergency cited in the preamble, this Act shall take effect when approved.

Effective June 6, 1986.
