## PREFACE

Volumes 3 and 4 of the 1985 *Laws of Maine* contain all the session laws and related papers enacted or approved at the Second Regular, Second Special and Third Special Sessions of the 112th Maine Legislature.

The effective date of nonemergency laws passed at the Second Regular Session of the 112th Legislature, unless expressly provided otherwise, is July 16, 1986. Correspondingly the effective date for the Second Special Session is August 29, 1986 and for the Third Special Session all laws passed were of an emergency nature.

These volumes of laws has been compiled and published pursuant to the Maine Revised Statutes, Title 3, section 163-A, subsection 3.

These are the last such volumes to be published in this type and style as electronic transmission of data holds the future, offering many advantages over hard copy methods used in compiling and printing this work.

Individual revisions of departmental laws are not included here but may be available upon request from the respective departments and agencies. Also, copies of a specific chapter of a law may be obtained by contacting the Engrossing Division of this office.

These volumes have been prepared and arranged for the user's convenience and any comments or suggestions which may lead to the improvement of the publication are welcomed.
