AN ACT to Authorize Aroostook County to Raise \$500,000 for Renovations and Additions to the Aroostook County Jail.

Emergency preamble. Whereas, Acts of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, funds were raised by Aroostook County pursuant to Private and Special Law 1985, chapter 55, to make renovations and additions to the Aroostook County Jail; and

Whereas, projected costs of the project require that the county be authorized to raise an additional \$500,000;

and

Whereas, it is necessary that such authorization take effect immediately in order that the completion date of the project, April of 1988, be met; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:

Sec. 1. To raise money for new detention facility. Notwithstanding the Maine Revised Statutes, Title 30, section 404, the county commissioners of Aroostook County are authorized to raise a sum not exceeding \$500,000 to make renovations and additions to the Aroostook County jail. The county commissioners are authorized to expend \$300,000 of that sum for those purposes, and may expend all or part of the additional \$200,000 only with prior approval of the Aroostook County legislative delegation after the delegation finds that further specific expenditures are clearly necessary and required to complete the approved projects.

Sec. 2. Aid from other sources. The county commissioners of Aroostook County are authorized to borrow any portion of the sums authorized in this Act from or through any agency or department of this State and of the Federal Government. The county commissioners are authorized to receive grants of money and other assistance from or through any agency or department of the State and of the Federal Government for any of the purposes authorized in this Act.

Sec. 3. Bonds. To provide funds for the renovations and additions to the jail, the Aroostook County treasurer, with the approval of the county commissioners, may borrow from time to time upon the full faith and credit of the county such sums not exceeding in the aggregate \$500,000, as may be necessary, and may issue self-liquidating bonds for the purpose which shall bear on their face the words "Aroostook County Capital Improvement Bonds Act of 1987." Each authorized issue shall be payable in such annual installments, beginning not more than 2 years from the date of issue and not earlier than the year 1989, as will extinguish each loan in not more than 20 years from its date. The bonds shall be signed by the county treasurer and countersigned by the majority of the county commissioners. The county may sell these securities at public or private sale upon such terms and conditions as the county commissioners may deem proper, but at not less than par and accrued interest.

Sec. 4. Temporary notes. The county treasurer, with the approval of the county commissioners, may issue temporary notes of the county, payable in not more than one year from their dates, in anticipation of the is-

sue of serial bonds under this Act and may renew the same, but the time within which these serial bonds shall become due and payable shall not, by reason of these temporary notes, be extended beyond the term fixed by this Act. Any notes issued in anticipation of the serial bonds shall be paid from the proceeds of the issue.

Emergency clause. In view of the emergency cited in the preamble, this Act shall take effect when approved.

Effective October 19, 1987.
