CHAPTER 83

H.P. 1416 — L.D. 1921

AN ACT to Prevent Potential Pest Infestation.

Emergency preamble. Whereas, Acts of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, traces of nematode have been found in Prince Edward Island and the varroa mite pest is affecting the beekeeping industry in Maine; and

Whereas, the potato farmers in Maine are most concerned that this infestation may spread to their potato fields and damage their crops and honeybee beekeepers in Maine must take action to eradicate the varroa mite pest before more damage is done to healthy hives; and

Whereas, it is most necessary to appropriate money in order to support research to prevent any harm to the State's potato crop and to take immediate steps to protect the pollination capacity of the State's honeybee industry; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:

Appropriation. The following funds are appropriated from the General Fund to carry out the purposes of this Act.

These funds will be used only to prevent the infestation of nematode in the State's potato crop, as well as the varroa mite in the State's bee colonies and for no other purpose. These funds shall not lapse but shall carry forward until June 30, 1989.

Emergency clause. In view of the emergency cited in the preamble, this Act shall take effect when approved.

Effective November 20, 1987.

CHAPTER 84

S.P. 695 — L.D. 1920

AN ACT Concerning the Commission to Implement the Computerization of Criminal History Record Information.

Emergency preamble. Whereas, Acts of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, Private and Special Law 1985, chapter 135, creating the Commission to Implement the Computerization of Criminal History Record Information, called for a final report by the commission to the Second Regular Session of the 113th Legislature by January 15, 1988; and

Whereas, the commission requires additional time to oversee the development and implementation of an effective computerized system; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:

Sec. 1. P&SL 1985, c. 135, §4 is repealed and the following enacted in its place:
