S.P. 951 — L.D. 2516

AN ACT Relating to the Provisions of the Charter of the Veazie Sewer District.

Emergency preamble. Whereas, Acts of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, certain provisions of the Charter of the Veazie Sewer District are inadequate for the district to properly carry out its functions; and

Whereas, this condition prevents the Veazie Sewer District from effectively administering the business of the district, including the collection of unpaid rates; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:

P&SL 1951, c. 114, §§16 and 17 are enacted to read:

Sec. 16. Rates. All persons and all corporations, private, public and municipal, shall pay to the treasurer of the district rates established by the board of trustees for the services used or available to them, which rates shall be uniform within the district and, notwithstanding any other provision of this Act, may include rates for the district's readiness to serve charged against owners of land abutting on or accessible to sewers or drains of the district, but not actually connected to them and shall be so established as to provide revenue for the following purposes:

1. Current expenses. To pay the current expenses for operating and maintaining the sewerage system;

2. Interest. To provide for the payment of the interest on the indebtedness of the district; and

3. Sinking fund. To provide each year a sum, in the amount prescribed by section 9, which sum shall be paid into any sinking fund established pursuant to section 9.

Sec. 17. Lien for payment of rates. There shall be a lien to secure the payment of rates and other lawful charges established under section 16 and legally assessed on real estate served or benefited by the sewers of the district, which shall take precedence over all other claims

on the real estate, excepting only claims for taxes.

The treasurer of the district shall have full and complete authority and power to collect the rates, tolls, rents and other charges established under section 16 and those charges shall be committed to the treasurer. The treasurer may sue, after demand for payment, in the name of the district in a civil action for any rate, toll, rent or other charge remaining unpaid in any court of competent jurisdiction. In addition to other methods established by law for the collection of rates, tolls, rents and other charges and without waiver of the right to sue for those charges, the lien created in this section may be enforced in the following manner. The treasurer, when a rate, toll, rent or other charge has been committed to the treasurer for collection, may, after the expiration of 3 months and within one year after the date when the rate, toll, rent or other charge became due and payable, give to the owner of the real estate served, or leave at the last and usual place of abode, or send by certified mail, return receipt requested, to owner's last known address, a notice in writing signed by the treasurer or bearing the treasurer's facsimile signature, stating the amount of that rate, toll, rent or other charge, describing the real estate upon which the lien is claimed and stating that a lien is claimed on the real estate to secure the payment of the rate, toll, rent or other charge and demanding the payment of the rate, toll, rent or other charge within 30 days after service or mailing, with \$1 for the treasurer for mailing the notice, together with the certified mail, return receipt requested fee. The notice shall contain a statement that the district is willing to arrange installment payments of the outstanding debt. For the purpose of this section, a mobile home is defined as real estate. After the expiration of a period of 30 days and within one year thereafter, the treasurer shall record in the registry of deeds of Penobscot County a certificate signed by the treasurer setting forth the amount of the rate, toll, rent or other charge, describing the real estate on which the lien is claimed and stating that a lien is claimed on the real estate to secure payment of the rate, toll, rent or other charge and that a notice and demand for payment of that charge has been given or made in accordance with this section and stating further that the rate, toll, rent or other charge remains unpaid. At the time of the recording of any such certificate in the registry of deeds as provided, the treasurer shall file in the office of the district a true copy of the certificate and shall mail a true copy by certified mail, return receipt requested, to each record holder of any mortgage on the real estate, addressed to the record holder at the record holder's last and usual place of abode.

The filing of the certificate in the registry of deeds shall create a mortgage on the real estate therein described to the district which shall have priority over all other mortgages, liens, attachments and encumbrances of any nature, except liens, attachments and claims for taxes and shall give to the district all the rights usually possessed by mortgagees, except that the district as mortgagee shall not have any right to possession of the real estate until the right of redemption provided for
