CHAPTER 98

H.P. 1927 — L.D. 2627

RESOLVE, for Laying of the County Taxes and Authorizing Expenditures of York County for the Year 1988.

Criteria of need. Resolved: That, in determining need, the department shall develop explicit criteria for assessing need which differentiates between the need for professionals experienced by state agencies, nonprofit agencies providing services under contract with the State and clients of private providers; and be it further

Emergency preamble. Whereas, Acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Inventory. Resolved: That the department shall make an inventory of all mental health professionals in the State by geographic area, discipline, types and amount of academic and clinical training and employing organization. The inventory shall differentiate between those mental health professionals currently eligible for 3rd-party reimbursement and those not presently eligible. The inventory shall try to discover the number of mental health professionals who are not practicing in their field and the reason for their not working as mental health professionals; and be it further

Whereas, York County has certain expenses and liabilities which must be met as they become due; and

Whereas, it is necessary that the taxes for the year 1988 hereinafter mentioned be immediately assessed in order to provide the required revenue for the county; and

Cause of need. Resolved: That, if the department determines there is a need for additional mental health professionals in a certain treatment discipline or geographic area of the State, the department shall assess whether the shortage could be most efficiently met by increasing the incentives for professionals to settle in underserved areas or by increasing the types of professionals eligible for 3rd-party reimbursement; and be it further

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore, be it

PART A

Sec. 1. York County; taxes apportioned. Resolved: That the following sum is granted as a tax on York County to be apportioned, assessed, collected and applied to the purposes of paying debts and necessary expenses of the county as authorized herein, and for other purposes of law, for the calendar year 1988:

1988 TAX
\$2,229,369

; and be it further

First report. Resolved: That the department shall report to the First Regular Session of the 114th Legislature its finding on the need for mental health professionals in the State and the cause of the shortage. If the department determines that there is a shortage, the department shall also submit a copy of the report to the Department of Professional and Financial Regulation; and be it further

Sec. 2. General Fund expenditures authorized. Resolved: That the following sums, based on the county budget filed in the office of the Secretary of State, are authorized as General Fund expenditures by the county during the calendar year 1988, in the specific total amounts of expenditures for personal services, contractual services, commodities and capital expenditures for each account in the county budget:

Cost analysis. Resolved: That the Department of Professional and Financial Regulation shall study the cost of increasing incentives to attract mental health professionals to underserved areas or individuals into disciplines with a statewide shortage of professionals. The department shall also assess the cost of expanding the types of mental health professionals who are eligible for 3rd-party reimbursement; and be it further

Second report. Resolved: That the Department of Professional and Financial Regulation shall submit a report to the Legislature by October 1, 1989 on the cost of increasing the availability of mental health professionals. Working with the Department of Mental Health and Mental Retardation, the Department of Professional and Financial Regulation shall include the necessary legislation to eliminate the shortage.
