An Act Establishing the Rights of Tenants when the Landlord Fails to Pay Utility Bills

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 14 MRSA §6024-A is enacted to read:

§6024-A. Landlord failure to pay for utility service

If a landlord fails to pay for utility service in the name of the landlord, the tenant, in accordance with Title 35-A, section 706, may pay for the utility service and deduct the amount paid from the rent due to the landlord.

Sec. 2. 35-A MRSA §706, sub-§2, as enacted by PL 1987, c. 141, Pt. A, §6, is amended to read:

2. Disconnection of tenant. In every instance where the landlord has applied for and is granted utility service, the landlord is responsible for payment for that service with respect to any rental property. The utility may not demand payment from the tenant for utility service to the tenant because of the landlord's failure to pay for utility service rendered at the rental property. The utility may disconnect the tenant only after affording the tenant notice and opportunity to assume responsibility for future service in accordance with the rules of the commission. Any tenant who has assumed responsibility for future service under this section and paid all or any portion of the utility service for the rental property to a utility may deduct the amount paid from any rent due to the landlord.
