CHAPTER 224

S.P. 336 - L.D. 897

An Act to Provide for the 1989 Allocations of the State Ceiling on Private Activity Bonds

Emergency preamble. **Whereas,** Acts of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, the Maine Revised Statutes, Title 10, section 363 and Public Law 1987, chapter 668 make a partial allocation of the state ceiling on private activity bonds to some issuers for calendar year 1989, but leave a portion of the state ceiling unallocated and do not provide sufficient allocations for certain types of private activity bonds which may require an allocation prior to the effective date of this Act if not enacted on an emergency basis; and

Whereas, if these bond issues must be delayed due to lack of available state ceiling, the rates and terms under which these bonds may be issued may be adversely affected, resulting in increased costs to beneficiaries or even unavailability of financing for certain projects; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 10 MRSA §363, sub-§7, as repealed and replaced by PL 1987, c. 413, §4, is amended to read:

7. Allocation to the Maine Municipal Bond Bank. That portion of the state ceiling allocated to the category of bonds which are general obligations of issuers within the State, other than the State; which are included in bond issues of the Maine Municipal Bond Bank; which are included in bond issues of the Maine Public Utility Financing Bank; or which are qualified redevelopment bonds as defined in the
