An Act to Permit the Reopening of Certain Workers' Compensation Cases

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 39 MRSA §102, as amended by PL 1977, c. 709, §5, is repealed and the following enacted in its place:

§102. Reopening for mistake of fact or fraud

1. Agreements. Upon the petition of either party at any time, the commission may annul any agreement which has been approved by the commission if it finds that the agreement has been entered into through mistake of fact by the petitioner or through fraud. Except in the case of fraud on the part of the employee, an employee is not barred by any time limit from filing a petition to have the matters covered by the agreement determined in accordance with this Act as though the agreement had not been approved.

2. Compensation payment scheme. Notwithstanding section 51-B, subsection 7, a party may petition the commission within one year of initiation of the payment scheme, award or decree to reopen any case in which fraud on the part of the opposing party is alleged. If the commission finds that the petitioning party had exercised due diligence in investigating the initial claim and further finds that fraud occurred, the commission may reopen the case as to any issue which may have been affected by the fraudulent act and may terminate or modify an employer's obligation to make payment upon a finding that fraud on the part of a party affected the employer's obligation to make payment.

Except in the case of fraud on the part of the employee, an employee is not barred by any time limit from filing a petition to have any issues determined in accordance with this Act as though the payment scheme had not been initiated.

Sec. 2. Application. This Act applies only to injuries occurring on or after the effective date of this Act.
