CHAPTER 24

H.P. 640 - L.D. 874

An Act to Authorize the Public Utilities Commission to Study the Implementation of Continuous Relay Services for Deaf, Hearing Impaired or Speech Impaired Persons

Emergency preamble. Whereas, Acts of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, it is the belief of the Joint Standing Committee on Utilities that the Public Utilities Commission should make provisions for the establishment of a system to provide continuous telephone relay services for deaf, hearing impaired or speech impaired persons who must rely on teletypewriter equipment for telephone communications; and

Whereas, for the Public Utilities Commission to complete the study outlined in this Act, the commission should start as soon as possible; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:

Sec. 1. Public Utilities Commission Study. The Public Utilities Commission shall undertake a study of the implementation of a system to provide continuous telephone relay services to deaf, hearing impaired or speech impaired persons who must rely on teletypewriter equipment for telephone communications.

The study shall include a review of the following topics regarding continuous telephone relay services:

1. Alternative system designs and implementation plans for a statewide system;
