lakes, brooks, rivers and tributaries and from reservoirs or basins that may be constructed for the purposes aforesaid by pipes and aqueducts laid directly from them or by artificial waterways to supply Mirror Lake and also to connect the same with any of the mains of the company. Nothing in this Act may in any way increase or extend the rights of the company in or to the waters of Hobbs' Pond, Fish's Pond, Grassy Pond or Rocky Pond or their tributaries. Nothing in this Act may in any way limit or restrict recreational use of Megunticook Lake and Megunticook River in the Town of Camden, Town of Lincolnville and Town of Hope or curtail any recreational use existing on those bodies of water in those towns as of the date of enactment of this Act, except an area within 200 feet of an intake pipe as necessary for the safety of the public. Any authority granted in this Act shall be exercised in accordance with all applicable state and local regulatory requirements.

Sec. 2. P&SL 1880, c. 212, §2, first sentence, as repealed and replaced by P&SL 1985, c. 40, §2, is amended to read:

The company may erect and maintain dams upon any or all of the lakes, ponds, brooks, Oyster River and tributaries of the water identified in section 1, for the purpose of creating and maintaining storage basins or reservoirs of water and may flow the land of any riparian proprietor therefor, and may erect and maintain reservoirs and lay down and maintain pipes and aqueducts necessary for the proper accumulating, conducting, discharging, distributing and disposing of the water, except that the right to erect and maintain dams does not extend to and does not authorize the erection and maintenance of dams on Megunticook Lake and Megunticook River or tributaries in the Town of Camden and the right to flow the land of any riparian proprietor does not extend to or encompass Megunticook Lake and the Megunticook River or tributaries.

1. A ground water extraction and treatment system, approved by the Department of Environmental Protection, has been installed and is fully operational at the Union Chemical hazardous substance site and is sufficient for the Board of Environmental Protection to determine its effectiveness in remediating the contaminated ground water and retarding the movement of the plume, and to determine that the drawdown of Fish's Pond or Hobbs' Pond will not have an effect on the ground water such that contaminated ground water associated with the Union Chemical site is drawn to Fish's Pond or Hobbs' Pond or to private wells in the area. These determinations shall be made after a public hearing which shall be held on the board's own motion or on the request of either the Town of Hope, Hobbs' - Fish's Pond Association or the Camden and Rockland Water Company.

2. The Department of Environmental Protection shall hold a public hearing prior to action on any application by the Camden and Rockland Water Company to install a permanent water intake pipe in Hobbs' Pond or Fish's Pond under the Natural Resources Protection Act, the Maine Revised Statutes, Title 38, section 480-A et seq.

Sec. 4. Exemption. Notwithstanding section 1 of this Act, the Town of Hope Fire Department may take or withdraw water from Hobbs' Pond, Fish's Pond or Quiggle Brook for the purpose of fighting fires.

Emergency clause. In view of the emergency cited in the preamble, this Act shall take effect when approved.

Effective June 20, 1989.

Emergency clause. In view of the emergency cited in the preamble, this Act shall take effect July 1, 1989.

Effective July 1, 1989.

CHAPTER 51

H.P. 1200 - L.D. 1667

An Act Creating the St. Francis Water District

Emergency preamble. Whereas, Acts of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, it is vitally urgent that the inhabitants of St. Francis have a safe, reliable and adequate supply of pure water; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation

as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:

Sec. 1. Territorial limits; corporate name; purposes. Subject to section 13, the inhabitants and territory within the Town of St. Francis in Aroostook County shall be and hereby are constituted a public municipal corporation under the name of "St. Francis Water District" for the purpose of supplying the inhabitants of the district with pure water for domestic, sanitary, manufacturing and municipal purposes.

Sec. 2. Source of supply. The water district, for the purposes of its incorporation, is authorized to take, collect, store, hold, divert, use, flow, detain and distribute water from any lake, pond, stream or river and from any surface or underground brook, spring or vein of water in the Town of St. Francis and from any other source from which the town is now authorized to take any water, including sources outside of the town.

Sec. 3. Right of eminent domain conferred. The district, for the purposes of its incorporation, is authorized to take and hold, as for public uses, by purchase, gift or by exercise of the right of eminent domain, which right is expressly delegated to the water district for those purposes, any lands or interests therein or water rights necessary for erecting and maintaining dams, for flowage, for power, for pumping its water supply through its mains, for reservoirs and standpipes, for preserving the purity of the water and watershed, for laying and maintaining aqueducts, mains and other structures for taking, distributing, purifying, discharging and disposing of water and for rights-of-way or roadways to its sources of supply, dams, power stations, reservoirs, standpipes, mains, aqueducts, structures and lands. Nothing contained in this Act shall be construed as authorizing the water district to take by right of eminent domain any of the property or facilities of any other public service corporation or district used or acquired for future use by the owner thereof in the performance of a public duty, unless expressly authorized in this Act or by subsequent Act of the Legislature, or as provided in section 7.

Sec. 4. Authorized to lay mains, pipes, conduits, etc., through public ways and across private lands. The district is authorized to lay in and through the streets, roads, ways, highways and bridges in the Town of St. Francis and across private lands in the Town of St. Francis, and to maintain, repair and replace all such pipes, mains, conduits, aqueducts and fixtures and appurtenances as may be necessary and convenient for its corporate purposes, and whenever the district shall lay any pipes, mains, conduits, aqueducts and fixtures or appurtenances in any street, road, way or highway, it shall cause the same to be done with as little obstruction as practicable to the public travel and shall, at its own expense, without unnecessary delay, cause the earth and pavement removed by it to be replaced in proper condition.
