## CHAPTER 117

S.P. 227 - L.D. 581

### An Act to Require Each Person Licensed for the Practice of Funeral Service to Participate in Continuing Professional Education

Be it enacted by the People of the State of Maine as follows:

**Sec. 1. 32 MRSA §1506** is enacted to read:

#### §1506. Educational requirements

**1. Applicability.** This section applies to all persons licensed for the practice of funeral service in accordance with section 1501.

**2. Requirements.** As a prerequisite to renewal on or after January 1, 1993 of any license subject to this subchapter, licensees must complete 12 hours of continuing education within 2 years prior to the date of renewal in programs or courses approved by the board. The board may, for good cause shown, grant an extension of time to any person to allow that person to comply with this subchapter.

**3. Program approval.** Each application for approval of a continuing education program must be submitted according to the guidelines prescribed by the board. The board may establish by rule criteria for the review and approval of courses and for the determination of the number of continuing education hours to be credited for completion of each course or program.

**4. Penalties.** The license for the practice of funeral service of any person who fails to comply with this section may not be renewed and terminates upon the next expiration date.

**5. Rulemaking authority.** The board may establish by rule reasonable procedures and standards to fulfill the purposes of this section.

**Sec. 2. Report.** By January 1, 1992, the State Board of Funeral Service shall make a report to the Joint Standing Committee on Business Legislation that includes the following information relative to the educational requirements of the Maine Revised Statutes, Title 32, section 1506:

1. The courses to be required, their justification relative to maintaining the skills required for the safe practice of the profession, and whether there will be any requirement for self-assessment as a means of determining the courses required for an individual practitioner;

2. Any examinations that might be proposed to assess the success of the required educational program;

3. The criteria to be used in reviewing and approving continuing education programs;

4. The percentage of the course requirements that can be taught by correspondence courses and by closed-circuit television, the percentage that will require an actual classroom presence and the current and planned arrangements for closed-circuit television and for classroom instruction in various sections of the State; and

5. The costs of this program to the State and the board and the direct and indirect costs to the individual practitioner.
