CHAPTER 227

H.P. 91 - L.D. 132

An Act Concerning Purchases of Alcohol from Agency Stores

Emergency preamble. Whereas, Acts of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, this Act enables restaurants in the State to more easily procure supplies for their businesses; and

Whereas, supporting the restaurant business is especially important to the State's economy during the summer tourist season; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 28-A MRSA §606, sub-§1, as amended by PL 1987, c. 342, §28, is further amended to read:

1. All licensees must buy liquor from commission; exception. Except as provided in paragraph A this subsection and subsection 1-A, all persons licensed to sell spirits shall purchase all such liquor from state liquor stores. Agency liquor stores may not sell liquor to retail licensees for resale.

A. This subsection does not apply to public service corporations operating interstate.

Sec. 2. 28-A MRSA §606, sub-§1-A is enacted to read:

1-A. Exception. Notwithstanding subsection 1, a restaurant located at least 15 miles from a state liquor store may purchase spirits from an agency liquor store in accordance with this subsection.

A. Before purchasing spirits from an agency liquor store, a restaurant must obtain written approval from the Bureau of Alcoholic Beverages. The bureau shall grant approval for the restaurant to purchase spirits at one or more identified agency liquor stores for as long as the locations of the restaurant and the agency liquor stores remain the same, if the restaurant is at least 15 miles from the nearest state liquor store.

B. Before selling to a restaurant, an agency liquor store must obtain written approval from the Bureau of Alcoholic Beverages. Approval of the agency liquor store permits that store to sell spirits to any restaurant that has written approval to purchase from that identified agency liquor store.

C. The sale price of spirits sold to restaurants under this subsection must equal the retail sales price set by the State Liquor Commission for sales of those spirits plus an amount equal to the difference between the wholesale price of those spirits and the retail selling price.

D. When an agency liquor store purchases spirits from the commission or from a state liquor store, the agency liquor store must deliver to the commission or the state liquor store, for each sale made pursuant to this subsection since the previous purchase of spirits, a copy of the licensee order form and the amount added to the retail sales price pursuant to paragraph C. The commission or the state liquor store must pay the amount added to the retail sales price pursuant to paragraph C to the Bureau of Alcoholic Beverages.

Emergency clause. In view of the emergency cited in the preamble, this Act takes effect when approved.

Effective May 31, 1991.
